The Intern Installment: An Alpha Billionaire Romance Michelle Love, 2020-04-06 Enjoy this bad boy book by Best selling billionaire romance author Michelle Love Damon I ran one of the most successful Architecture companies in the world well known to everyone in the business I was involved in every aspect of the daily activities though one of my least favorite parts was interviewing for interns every year It was something that came along with the company and a great learning tool for the students so I kept it as something we did I just typically left it to my managers who were more hands on with the teams to figure out who to hire out of all of the faces that we saw I started caring the moment that Elisa walked in the door She was everything that I didn't look for in a woman sweetness innocence and inexperience She was guarded and intelligent and I fought to keep her out of my company against the wishes of everyone else at that interview Mediated Intimacy

Meg-John Barker, Rosalind Gill, Laura Harvey, 2018-02-27 Mediated Intimacy looks at contemporary sex and relationship advice exploring how our intimate lives are shaped through different media from manuals and magazines to television and Twitter By exploring how intimacy is constructed through different media texts the authors consider which ideas and practices these changing forms of sexpertise open up and which they close down The book reveals the intimate operation of power in mediated advice how words and images stories and sound can work to shore up social injustice It critically engages with the ideas of choice and responsibility in sex self help arguing that these can obscure and or justify oppression even if they're sometimes experienced as empowering and or pleasurable This bold and incisive book provides a radical challenge to the assumptions underlying the sex advice industry and presents a critical collaborative and consensual vision for sex advice of the future Adaptation in the Age of Media Convergence

Johannes Fehrle, Werner Schäfer-Zell, 2025-10-01 This collection considers new phenomena emerging in a convergence environment from the perspective of adaptation studies The contributions take the most prominent methods within the field to offer reconsiderations of theoretical concepts and practices in participatory culture transmedia franchises and new media adaptations The authors discuss phenomena ranging from mash ups of novels and YouTube cover songs to negotiations of authorial control and interpretative authority between media producers and fan communities to perspectives on the fictional and legal framework of brands and franchises In this fashion the collection expands the horizons of both adaptation and transmedia studies and provides reassessments of frequently discussed BBC's Sherlock or the LEGO franchise and previously largely ignored phenomena self censorship in transnational franchises mash up novels or YouTube cover videos **Political Economy of Contemporary African**
