Where Garden Begins Suthern Hicks:

Where the Garden Begins J Suthern Hicks, 2015-11-25 When Seth began college a year ago the world of science opened up to him and he soon found himself questioning his faith in God His younger sister Melissa has also distanced herself from anything spiritual She s too busy chasing high school boys The teens are quite content to remain in their unbelief but their determined grandmother intervenes Her prayers set in motion a series of incredible supernatural events that sends the brother and sister to a fantastical world where everything they think they know will be tested In order to survive this otherworldly experience Seth and Melissa must work together for the first time in their lives The obstacles that come their way are numerous and challenging but they have help throughout their adventure from newfound friends including the loyal kind hearted red fox and a benevolent owl named Adriel This extraordinary journey could reconcile their doubts about the truth of the Bible But most importantly Melissa and Seth will discover that faith is a precious gift and without it they may never get back home
