Where Is The United States In Bible Prophecy:

Where Is the United States in Bible Prophecy? Michael D. Hodge, 2010-10-01 The question Where is the United States in Bible Prophecy is one that has been asked by teachers and students of the Bible for many years Some say one thing and some another Many say that the most prosperous and powerful nation in the history of the world and the only nation founded upon Christian principles is nowhere to be found in the Bible The author respectfully disagrees with that conclusion The problem is that most Bible students have used an invalid starting point for their search They begin with the United States searching for scriptures that might apply to her The result is either no success or scriptures that they think might refer to America Where is the United States in Bible Prophecy takes a different approach to this timeless question arriving at a most amazing and eye opening conclusion finding the United States where you might least expect to find her **The United States in Bible**

Prophecy Steve Wohlberg, 2015-03-01 Yet again Steve Wohlberg tackles a subject in just a handful of words that is often buried within the pages of a huge book and answers questions of many people at the same time This time he pointedly defined the two beasts of Revelation 13 particularly the second beast that as we learn is representative of the United States In identifying the first beast he also draws from Daniel 7 as these two beasts are markedly similar While these two beasts seem to point to a gloomy future we have hope in our Lord Jesus Christ who will reign supreme Satan s days are numbered and when the last battle rages heaven s Lamb will win not the beast Repent Luke 13 3 is God s loving plea Those who respond to His offer and who then stand for the right though the heavens fall have the assurance that someday they will live forever in a land where freedom truly reigns where there is no more death neither sorrow nor crying neither shall there be any more pain for the former things are passed away Revelation 21 4 KJV Why America Still Matters to God Geoffery Broughton, 2017-09-29 WHAT IS GOD S PLAN FOR THE UNITED STATES OF AMERICA Just a blip on history s radar Mystery Babylon The Second Beast from the Book of Revelation Or something else entirely In today s troubled world all eyes seem to be on the U S We are the lone superpower and the world s greatest nation How does God see the United States The Church in modern times views America through the lens of the secular world not through the eyes of God What place does the U S have in God s plan and what role do we play in the End Times Why has God blessed the United States with such prosperity as the world has never seen before Is the United States really featured in scriptural prophecies Is America worth saving Read one pastor s seven year long journey to discover through biblical prophecy what role the United States will play in the End Times An important resource for the End Times A call to follow Christ A warning for the United States Sometime before the return of Christ God will raise up a nation made up of people from all different nations This nation will have a large population It will be a military power It will be known as a Christian Nation It will be a very wealthy nation It will not be called Israel And it will be located on the opposite side of the globe from the Middle East *How to Find America and Germany in the Bible: Proof That France - Netherlands - Belgium - Switzerland - Norway - Iceland - Sweden - Finland -*

Denmark - State of Israel - United Kingdom and Ireland Are Modern Israelites Nations Hugh Stewart, 2021-06-15 The United States of America and Germany have a rendezvous with destiny to quote President Franklin D Roosevelt It is a rendezvous that will be devastating for America yet neither will it bode well for Germany or the rest of the world The lumbering European Project of 27 nations known as the European Union EU eventually will dwindle to ten willing nations or ten regional groups of nations federally united under the leadership of Germany At last the long cherished dream of many Europeans for a resurgent and dominant Europe on the world stage will become a reality With shades of Christendom from the Middle Ages and free of Anglo Saxon trappings and the moderating influence of the UK the new EU will be an economic and military powerhouse that will serve as a counter balance to the once mighty U S A and the growing China threat from the East The Anglo Saxon dream of a reinvigorated Anglosphere as an alternative to the EU will prove to be an illusion Europe will enjoy a few years of unprecedented prosperity before the Project comes to a crashing halt How to Find America and Germany In the Bible explains why these events will take place It also tells us that the Israelite nations of Bible fame are alive and well under their modern names and that their day of awakening is near America the Beautiful? David R. Reagan, 2009

The Late Great United States Mark Hitchcock, 2009-01-06 Is it possible the United States a superpower without peer in history might not be a key player as the world makes its way down the road to the Battle of Armageddon This is the central question explored by prophecy expert Mark Hitchcock in *The Late Great United States* a fascinating behind the headlines look at numerous current events and how they relate to what the Bible says about the last days Americans are accustomed to seeing their country center stage as a world power but as Hitchcock carefully details this may not be the case in the final scene Based on extensive research of the Bible and other sources *The Late Great United States* provides compelling and often surprising answers to questions like these Does the Bible say anything about America in the last days How could the U S fit into God s prophetic plan Will America survive Might the anti Christ come from America Could America s addiction to oil be her undoing Will America be destroyed by a nuclear attack Could America fall from within as a result of moral corruption Is America still a blessed nation How should individual Christians respond to a world in chaos Regardless of America s final fate and the outcome of dire events at the end of the age Hitchcock urges us to find our hope in a God who will not forsake us no matter what cataclysms we experience on earth Is America in Bible Prophecy? Mark Hitchcock, 2002 Will America suffer a great fall Find out what s in store for the world s superpower in the coming days with prophecy scholar and pastor Mark Hitchcock The United States in Bible Prophecy Leslie Dutcher, 2024-05-13 This book is a detailed account of The United States in Bible prophecy It explains fully the prophecies in the books of Daniel and Revelation God told Daniel that the meaning of the symbolism used in His prophecies would not be understood until the time of the end The meaning of the symbols is understood now because we are living in the time of the end Daniel 12 9 And he said Go your way Daniel for the words are closed up and sealed till the time of the end NKJV The United States and Britain in Bible Prophecy United

Church of God, 2010-09-10 What's ahead for the United States and Britain Is the world's most powerful nation the United States of America overlooked in Bible prophecy Why are relatively small powers like Egypt Syria and Lebanon mentioned but no nation recognizable as the United States can be found What about other major English speaking nations such as the United Kingdom Canada and Australia In fact many prophecies do mention these nations But without a proper understanding of history and the Scriptures few can identify these countries and understand what lies ahead for them The Bible study aid booklet The United States and Britain in Bible Prophecy takes you on a remarkable journey through history and Bible prophecy to reveal an incredible story with sobering implications for the major English speaking nations You can't afford to be without this priceless information Chapters in this ebook Two Nations That Changed the World God's Commitment to Abraham and His Descendants What Is a Biblical Covenant How God Shaped Israel's Future Does God Keep His Word How Jacob Became Abraham's Heir Israel's Golden Age With Justice for All International Trade A Source of Solomon's Wealth God's Covenant With David Were All the Israelites Deported Are All Israelites Jews The Mysterious Scythians Burst Into History Celts and Scythians Linked by Archaeological Discoveries Linguistic Links What's in a Name The Label Celt and Celtic Society Prophecies of Israel's Resettlement in Northwestern Europe Britain and the United States Inherit Joseph's Birthright Benjamin Disraeli Maestro of Empire Advocates of British Israelism The Bible In British and American History From Punishment to Destiny Dual Fulfillment in Bible Prophecy The Geography of Celtic Scythian Commerce Inside this Bible Study Aid ebook Why has history been so benevolent and economically generous to Britain and the United States Why have they been blessed so favorably over the nations that preceded them in history The answer lies in the understanding and fulfillment of biblical prophecy God's promise to Abraham was not limited to a small and ancient people in the Middle East It extends far into the future and it is not limited by national boundaries Where can we find the descendants of Joseph the lost tribes of Ephraim and Manasseh This list of blessings eliminates most of the nations of the world as contenders To find them we must ask Which nations possess these blessings in our world When we understand that the modern descendants of Joseph are the people of the United States and Britain we see that over the past three centuries God has been true to His promises Though the United States and Britain do not appear in the Bible's prophecies of the end time under their present names God hasn't ignored these nations He identifies them in prophecy according to their ancestry Most people simply haven't known where to look for them **The Complete Book of Bible Prophecy** Mark Hitchcock, 1999 A theologian and pastor offers a comprehensive easy to use guide to biblical prophecy
