The Biker Who Taught Me I Loved Bondage (MC, BDSM) Jessica Whitethread,2014-03-14 Reader

Advisory This story is for mature audiences only and features intensely erotic situations bondage wax play motorcycles submission and dominance All characters are 18 or older Julie s night shift at the Marky Mae s diner in Brawley is usually a pretty boring one but when a group of bikers begin stopping in on their runs from Escondido to Yuma things begin to get a lot more lively It s the leader of the group whose eye she happens to catch though she ll never know exactly why and before she knows it she s on the back of a Harley blaring through the streets of her sleepy town But when her biker offers to teach her what it is to live dangerously and surrender control that little evening ride becomes the most mundane of her new experiences Excerpt I feel a finger brush against my cheek and I jerk back to look at him a thrill at the contact running through me and paralyzing me as he looks at me I could show you if you want he says My breath has gone sort of shallow in my chest as I look at him You could I breathe He catches a strand of my hair and tucks it behind my ear His smile isn t so much mischievous now Sure he says I realize I m sort of leaning forward now The night is so quiet around us What what do you have in mind then I ask He sprawls back even more luxuriously on the bike s handlebars lips pursed in teasing speculation and running those blues eyes over me head to toe Now they do linger the way I was wishing they had back in the diner It wouldn t be on a motorcycle he says Oh yeah But I think you d like it even more I turn my head sideways looking at him my lower lip between my teeth It sounds like I would I ll take us back then he says You keep a firm grip He slides back into the seat in front of me and I clasp my hands around him Holding onto the back of him is an underrated part of this experience I m thinking His ass his tight and firm between my thighs and I press myself against his broad back We take off again The rubber squeals on the pavement for a moment and then we re catapulting forward with a roaring in the air around us that rattles every pebble we pass by It takes us maybe twenty minutes to run back over our same ground I start to recognize the ways he lets go the way he sort of releases control as he leans over and lets gravity take over as we come around a turn at top speed There s a sort of beautiful anarchy about the motion This time I don t mind as much when the neon of the motel lights starts approaching fast from the horizon in front of us Instead the sight sends a thrill of excitement through my body Kent ducks inside the lobby and gets his key from the receptionist I peer into his side mirrors and try to straighten my hair but it s pretty hopeless at this point We roll around back and he slings his saddlebag over his arm leading me up the stairs to a room on the balcony Sit on the bed he tells me when we get inside I just need to find a couple things I sit obediently and watch him as he rifles through the bag He pulls out a chain lock and sets it on the ground with a cascade of heavy clinking He digs a bit more and pulls out a grey bandana that he extracts with an exaggerated flourish Hold still he tells me approaching with the bandana I jerk in surprise and move to stop him as he begins to tie it over my eyes It s alright he says You ll like this Are you sure My trepidation momentarily overcomes my need to impress him Trust me he says I hold still and he knots the bandana in place The light disappears and I am blind helpless listening to the sounds of the room as he steps back from me Alright I m going to go wash my face Don t go anywhere I make an expression at where I think he

probably is but I don't know whether he notices I listen as he walks off across the carpet and then hear the sound of running water coming from the bathroom I take a deep breath I am both asking myself and trying very hard not to ask myself just what exactly I've got myself into
