addictions To find and then maintain full recovery a new language must be introduced and then incorporated into daily living patterns The message of this book is an invitation for good people everywhere to make better informed and wiser choices on a daily basis concerning the material that they willingly allow into their minds We can help make our world a better place by becoming more educated No one can act intelligently to change his or her condition unless they understand it first After presenting on the topic of pornography and sexual addiction from a clinical perspective at a recent conference an older gentleman that had worked in the addictions recovery field for many years and was himself a seasoned counselor came up to me afterward and said Why didn t you talk about the spiritual aspects of this disease That is what we are really hungry for In essence he was saying We want answers from a spiritual perspective I have spent countless hours in therapy sessions with clients and I want to share their story about how the language of recovery is changing their lives for the better This new language is helping them find the peace and hope that they have been searching for Before we talk about the specific keys of this new language we need to understand a few things first First there is a movement afoot among treatment professionals to change the way we look at treating addictions We are moving away from the acute or emergency room model of treating addiction to the ongoing process that lasts a lifetime This has been one of the biggest downfalls of the profession in the past as we have not been providing ongoing support and treatment to those who need and deserve it We have bought into the idea that if someone with an addiction can graduate from a treatment program they will be cured Anyone who is familiar with treating addictions knows this is not typically how it works You can learn more about Gordon and our Online Pornography Addiction Treatment System <http://gordonbruin.com> *Fortify Fight the New Drug*,2016-10-13 Restoring Trust Peter C.
