The Tree of Enchantment Orion Foxwood, 2025-09-12 In Faery Seership the truths we seek can only be found within ourselves within nature and within our relationships to nature At the center of the Faery Tradition lies the Tree of Enchantment the symbol for these relationships and for the threefold life of humanity At each level of the tree there are attending spirit forces that vary from beings of light to beings of shadow from the ancestors of humanity to the architects of form and nature from the destiny of our planet to the creation forces of the universe The tree's roots grow through the lower world where all life originates and the dead travel its trunk and lower branches reach out across the middle world where elemental forces and the four directions guide us and its highest branches reach into the upper world and the Star realm Weaving together folk tradition and extensive academic research Orion Foxwood has created an accessible beautifully written pathway into the Old Religion of Faery Seership Based on Appalachian traditions Wiccan studies Celtic oral traditions and the Craft from Western and Northern Europe The Tree of Enchantment offers the student of Faery Tradition both introductory and advanced visionary practices and authentic tools to learn to navigate the three realms of humanity With diligence and an open heart the reader will learn to cross The River of Blood pass through The Gate of Awakening and over The River of Stars

Way into Faerie Rae Beth, 2017-02-01 The spirituality of a fey person may be quite anarchic and entirely private having no basis in any organised religion So it can be a secret spirituality that informs the fey type and this may be largely experiential It has often been perceived as a threat by people who like ideas to be tied down and under control and by the organisations that such people have created Meanwhile in much of today's world fey people have been thoroughly marginalized In this book Rae Beth suggests ways in which we might understand Otherworldly realities without abandoning commonsense Drawing upon her knowledge of traditional faerie lore she shows how fey perceptions and psychic skills can serve and enhance life Rae Beth draws on her knowledge of traditional faerie lore and shows how fey perceptions and psychic skills can serve and enhance life She suggests ways in which we might understand Otherworldly realities without abandoning commonsense Will be of interest to witches and those interested in the Other world
