

The Trial of Grover Henry Hendershot

The image depicts a courtroom scene. In the foreground, a man in a dark suit stands with his back to the camera, his hands clasped behind him. He is facing a panel of judges seated on an elevated platform. There are four judges visible, each wearing a black robe and a white collar. The courtroom has wood-paneled walls and a red carpet. The title 'The Trial of Grover Henry Hendershot' is written in a large, white, serif font at the top of the image.

Christian Reconstruction Michael J. McVicar, 2015-04-27 This is the first critical history of Christian Reconstruction and its founder and champion theologian and activist Rousas John Rushdoony 1916 2001 Drawing on exclusive access to Rushdoony s personal papers and extensive correspondence Michael J McVicar demonstrates the considerable role Reconstructionism played in the development of the radical Christian Right and an American theocratic agenda As a religious movement Reconstructionism aims at nothing less than reconstructing individuals through a form of Christian governance that if implemented in the lives of U S citizens would fundamentally alter the shape of American society McVicar examines Rushdoony s career and traces Reconstructionism as it grew from a grassroots populist movement in the 1960s to its height of popularity in the 1970s and 1980s He reveals the movement s galvanizing role in the development of political conspiracy theories and survivalism libertarianism and antistatism and educational reform and homeschooling The book demonstrates how these issues have retained and in many cases gained potency for conservative Christians to the present day despite the decline of the movement itself beginning in the 1990s McVicar contends that Christian Reconstruction has contributed significantly to how certain forms of religiosity have become central and now familiar aspects of an often controversial conservative revolution in America **The Breeder's Gazette** , 1909 [The Martindale-Hubbell Law Directory](#) , 1981
