Unauthorized Freud

Unauthorized Freud Doubters Confront A Legend:

Unauthorized Freud Frederick C. Crews, 1998 Frederick Crews's *Unauthorized Freud* surveys the growing field of revisionist Freud studies and decisively forges the case against the man and his creation **Doubters Confront a Legend** *Unauthorized Freud*, 1998 Crews edits a collection of essays examining Freud's work and his contribution to the study of psychology Various contributors point out the problems with Freud's thinking his work and the human costs of his personal obsessions [The Psychoanalytic Movement](#) Ernest Gellner, 2008-04-15 The Psychoanalytic Movement explains how the language of psychoanalysis became the dominant way in which the middle classes of the industrialized West speak about their emotions Explains how the language of psychoanalysis became the dominant way for the industrialized West to speak about emotion Argues that although psychoanalysis offers an incisive picture of human nature it provides untestable operational definitions and makes unsubstantiated claims concerning its therapeutic efficacy Includes new foreword by Jose Brunner that expands on the central argument of the book and argues that Gellner and Freud might be seen as kindred spirits **Whose Freud?** Peter Brooks, Alex Woloch, 2008-10-01 One hundred years after the publication of *The Interpretation of Dreams* Freud remains the most frequently cited author of our culture and one of the most controversial To some he is the presiding genius of modernity to others the author of its symptomatic illnesses The current position of psychoanalysis is very much at issue Is it still valid as a theory of the mind Have its therapeutic applications been rendered obsolete by drugs Why does it still figure in debates about sexual identity despite its rejection by many feminists How does it contribute to cultural analysis This book offers a new assessment of the status of psychoanalysis as a discipline and a discourse in contemporary culture It brings together an exceptional group of theorists and practitioners such as partisans and critics of Freud as Frederic Crews Judith Butler Leo Bersani Juliet Mitchell Robert Jay Lifton Richard Wollheim Jonathan Lear and others These contributors who are active in literature philosophy film history cultural studies neuroscience psychotherapy and other disciplines debate how psychoanalysis has enriched and been enriched by these fields

Sophocles and Alcibiades Michael Vickers, 2014-12-05 Literary historians have long held the view that the plays of the Greek dramatist Sophocles deal purely with archetypes of the heroic past and that any resemblance to contemporary events or individuals is purely coincidental In this book Michael Vickers challenges this view and argues that Sophocles makes regular and extensive allusion to Athenian politics in his plays especially to Alcibiades one of the most controversial Athenian politicians of his day Vickers shows that Sophocles was no closeted intellectual but a man deeply involved in politics and he reminds us that Athenian politics was intensely personal He argues cogently that classical writers employed hidden meanings and that consciously or subconsciously Sophocles was projecting onto his plays hints of contemporary events or incidents mostly of a political nature hoping that his audience's passion for politics would enhance the popularity of his plays Vickers strengthens his case about Sophocles by discussing other authors Thucydides Plato and Euripides in whom he also

demonstrates a body of allusions to Alcibiades and others

A-Z of Psychodynamic Practice Jeffrey

Longhofer, 2015-05-18 If you are searching for a clear exploration of the key concepts in psychodynamic thinking and practice then this is the book for you In this book Jeffrey Longhofer unravels the complex field of psychodynamic practice and lays it out in an accessible A Z format that enables any practitioner to implement psychodynamic practice into their work with people Each entry introduces the reader to the fundamental aspects of psychodynamic practice the theoretical underpinnings key thinkers debates and research With Points for reflection and practice and Key texts throughout it provides clear guidance for day to day practice and further study Whether you work in social work psychology counselling or related fields this book will equip you with a broad knowledge of psychodynamic practice and its contribution to understanding human development

Goethe in German-Jewish Culture Klaus L. Berghahn, Jost Hermand, 2001 New essays examining Goethe's relationship to the Jews and the contribution of Jewish scholars to the fame of the greatest German writer The success of Daniel Goldhagen's *Hitler's Willing Executioners* 1997 and the heated debates that followed its publication exposed once again Germany's long tradition of anti-Semitism as a major cause of the Holocaust Goldhagen like many before him drew a direct and irresistible line from Luther's pamphlets against the Jews to Hitler's attempted annihilation of European Jewry This collection of new essays examines the thesis of a universal anti-Semitism in Germany by focussing on its greatest author Goethe and seeing to what extent some scholars are justified in accusing him of anti-Semitism It places the reception of Goethe's works in a broader historical context his relationship to Judaism and the Jews the reception of his works by the Jewish elite in Germany the reception of the Goethe cult by Jewish scholars and the Jewish contribution to Goethe scholarship The last section of the volume treats the Jewish contribution to Goethe's fame and to Goethe philology since the 19th century and the exodus of many Jewish authors and scholars after 1933 when they took their beloved Goethe into exile When a few of them returned to Germany after 1945 it was to a country that had lost Goethe's most devoted audience the German Jews KLAUS L. BERGHAHN and JOST HERMAND are professors of German at the University of Wisconsin Madison

Cambridge Guide to Psychodynamic Psychotherapy Adam Polnay, Rhiannon Pugh, Victoria Barker, David Bell, Allan Beveridge, Adam Burley, Allyson Lumsden, C. Susan Mizen, Lauren Wilson, 2023-08-10 A unique and accessible guide to contemporary psychodynamic therapy and its applications Introduced with a foreword by Nancy McWilliams an author line up of experienced educators guide the reader through the breadth of psychodynamic concepts in a digestible and engaging way The key applications of psychodynamic psychotherapy to a range of presentations are explored including anxiety depression problematic narcissism as well as the dynamics of borderline states Specific chapters cover the dynamics of anger and aggression and working with people experiencing homelessness A valuable resource for novice and experienced therapists presenting a clear comprehensive review of contemporary psychodynamic theory and clinical practice Highly relevant for general clinicians third sector staff and therapists alike the authors also examine staff-client dynamics

and the development of psychologically informed services underpinned by reflective practice Part of the Cambridge Guides to the Psychological Therapies series offering all the latest scientifically rigorous and practical information on a range of key evidence based psychological interventions for clinicians The Psychology and Sociology of Literature Dick Schram, Gerard J. Steen, 2001-12-21 The Psychology and Sociology of Literature is a collection of 25 chapters on literature by some of the leading psychologists sociologists and literary scholars in the field of the empirical study of literature Contributors include Ziva Ben Porat Gerry Cupchik Art Graesser Rachel Giora Norbert Groeben Colin Martindale David Miall Willie van Peer Kees van Rees Siegfried Schmidt Hugo Verdaasdonk and Rolf Zwaan Topics include literature and the reading process the role of poetic language metaphor and irony cathartic and Freudian effects literature and creativity the career of the literary author literature and culture literature and multicultural society literature and the mass media literature and the internet and literature and history An introduction by the editors situates the empirical study of literature within an academic context The chapters are all invited and refereed contributions collected to honor the scholarship and retirement of professor Elrud Ibsch of the Free University of Amsterdam Together they represent the state of the art in the empirical study of literature a movement in literary studies which aims to produce reliable and valid scientific knowledge about literature as a means of verbal communication in its cultural context Elrud Ibsch was one of the pioneers in Europe to promote this approach to literature some 25 years ago and this volume takes stock of what has happened since The Psychology and Sociology of Literature presents an invaluable overview of the results promises gaps and needs of the empirical study of literature It addresses social scientists as well as scholars in the humanities who are interested in literature as discourse
