Elliott, 2016-08-03 This book offers two things in particular first these are papers that have been commented on and re worked in the context of a set of lively sessions from International SBL conferences from 2012 to 2014 Amsterdam St Andrews Vienna Second they offer an insight into the origins of the discipline as one which became conscious of itself in the early modern era and the turn to history and the analysis of texts to offer something exegetical and synthetic The fresh wind that the enterprise received in the latter part of the twentieth century is the focus of the second part of the volume which describes the recent activity up to the present state of the question The third part takes a step further to anticipate the

way forward for the discipline in an era where canon but also Scripture and theology seem to be alien terms and where other ideologies are advanced in the name of neutrality Biblical Theology will aim to be true to the evidence of the text it will not always see clearly but it will rely on the best of biblical criticism and theological discernment to help it That is the spirit with which this present volume is imbued *Biblical Theology* Ben Witherington, III, 2019-07-04 Provides a detailed exegetically based study of Biblical theology showing the canonical basis for later historical systematic and dogmatic theologies

A Theology of Matthew's Gospel Michael J. Wilkins, 2025-10-07 A Theology of Matthew s Gospel develops the perspective that Matthew wrote his Gospel to identify defend and proclaim Jesus Immanuel God with us as the Davidic Messiah who fulfilled the OT expectations of humanity s redemption Matthew s Gospel establishes Jesus s identity as the heir to the promises of Israel s throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham 1 1 So this first Gospel offers evangelistic hope in Jesus s message of the gospel to Jews contending that they should turn to Jesus as their long awaited Messiah Matt 11 2 6 But strikingly Matthew s Gospel also offers evangelistic hope to Gentiles emphasizing that salvation through Jesus Messiah is available to all the nations 28 19 The book emphasizes the three horizons that comprise Matthew s gospel history theology and literature The first horizon

focuses on Jesus's history ministry. Here Matthew provides for us a record of God's activities in history in the arrival of Jesus Messiah and the kingdom of heaven. The second horizon develops Matthew's theological perspective for his audience's. Here we attempt to understand and isolate Matthew's unique theological perspective of God's activities in Jesus Messiah. This is a central focus emphasizing Matthew's theological perspective of the Old Testament Christology, the kingdom of heaven, discipleship, the Church, church, Israel, past, present, and future, the death and resurrection of Jesus, mission, commission, and eschatology, eternity. The third horizon emphasizes today's reader's engaging with Matthew's Gospel as literature. Here we attempt to capture the significance of the perspective of today's reader's understanding of Jesus Messiah's activities in history and Matthew's theological perspective for the contemporary church. In this book we view Matthew's perspective of God's activities in Jesus's unfolding earthly ministry. The alternating sections of narrative and discourse provide for his readers Jesus's example to follow and Jesus's words to obey. Therefore Matthew's Gospel is at least in a part a manual on discipleship to Jesus Messiah in the kingdom of heaven. In the six Narratives, Matthew reveals Jesus's true identity in his deeds and introduces themes that will lead to instructions to Jesus's disciples in the Discourses. The six Narratives provide the example that Jesus's disciples are commanded to obey. In the five Discourses, Matthew records Jesus's instructions, commands, parables, directives, and prophecies that will guide his followers in their discipleship to Jesus until the end of the age. Combined, the narratives of Jesus's life provide Jesus's example to follow, and the discourses give Jesus's instructions to obey and are the basis of our ongoing transformation to become like Jesus.
