Embracing the Way of Jesus Pope

Francis, 2017-02-01 2018 Catholic Press Association 3rd Place Pope Francis There is a charm and a charism to Pope Francis His words have a way of captivating the reader Like all good pastors he points to Jesus Prepare now to join Pope Francis on this walk along the Way From the Foreword by ARCHBISHOP JOSEPH E KURTZ Ask someone for a definition of Christianity and you are likely to hear a philosophical historical or even cultural description of it But any explanation of the Christian faith that fails to define it as a way of being of proceeding is missing the mark For at its core Christianity is about living and loving as committed disciples of Jesus Christ Embracing the Way of Jesus is a beautifully curated collection of excerpts from the homilies and writings of Pope Francis all centering on Christianity as a way of life or as the earliest Christians would have understood it the Way Through the Pope s meditations on Scripture we pause to consider essential aspects of discipleship such as The Way of the Cross The Way of Prayer The Way of Children The Way of the Poor and more The book even offers a rare opportunity to see more clearly the path of discipleship through the lens of the Old Testament For anyone desiring to live out the faith in a way that can truly transform and heal our hearts and our world Embracing the Way of Jesus is the perfect place to start
