What Wives Wish Their Husbands Knew About Women James Dr Dobson, 1975

What Wives Wish their Husbands Knew about Sex Richard Rupp, Ryan Howes, Stephen Ph. D. Simpson, 2007-04-01 It's an unfortunate reality that many men grow up in churches that suppress their God-given sexual urges. As a result, many Christian men single and married are frustrated with their love lives and their sex lives. The authors of this book claim that Christian men should be the greatest lovers in the world and then work to show men how to do it. They help men learn what the Bible says about a healthy sex life, discover how to relate to women as men instead of as boys, address psychological and spiritual issues that interfere with healthy sexuality, learn specific techniques that create a strong relationship, great foreplay and passionate sex. Solidly based in Scripture and informed by the experiences of the authors, all respected sex therapists, *What Wives Wish Their Husbands Knew about Sex* dispels the myths that keep good Christian men from experiencing sex as God meant it to be. Perfect for any man, it is also a great book for counselors and pastors who work with men.

Family Matters Hilde Løvdal Stephens, 2019-10-15 The first full-length study of a pivotal figure in American evangelical faith, James Dobson, child psychologist, author, radio personality, and founder of the Christian conservative organization Focus on the Family, published his first book *Dare to Discipline* in 1970 and quickly became the go-to family expert for evangelical parents across the United States as American evangelicalism rose as a major political force. The family expert became a leading voice in the Reagan Revolution and played a role in making American evangelicals even more firmly associated with the Republican Party. Dobson's principle beliefs are that the family is the center of Christian America and that the traditional family must be defended from perceived threats such as gay rights, feminism, abortion, and the secularization of public schools. Dobson and Focus on the Family dominated Christian media through print, radio, and online venues, and their message reached millions of American evangelical households, shaping the cultural sensibilities and political attitudes of evangelical families throughout the culture wars from the 1980s into the 2000s.

Family Matters James Dobson and Focus on the Family's *Crusade for the Christian Home* by Hilde Løvdal Stephens is an insightful history and analysis of James Dobson's rise to fame, effect on American evangelical culture, and subsequent descent from relevance. Extensively researched, Løvdal Stephens scoured through Dobson's books, articles, and other materials published by Focus on the Family in order to explore how evangelicals defined and defended the traditional family as an ideal and as a symbol in an ever-changing world. By contextualizing the history of Dobson's reign, Løvdal Stephens's discerning analysis fills an important gap in our understandings of the politics and culture of late twentieth-century conservative Christianity in the United States. She explores complex topics ranging from Dobson's celebration of what he believes are

timeless biblical values such as maintaining strict and defined gender roles to the ways Dobson and Focus on the Family balanced their basic ideals with real everyday lives of average American evangelical families facing the realities of divorce working mothers and other perceived threats to the traditional family [Building My Marriage Student Handbook](#) Kenneth Wackes, **Jesus and John Wayne** Kristin Kobes Du Mez, 2020-06-23 NEW YORK TIMES BESTSELLER The paradigm influencing book Christianity Today that is fundamentally transforming our understanding of white evangelicalism in America Jesus and John Wayne is a sweeping revisionist history of the last seventy five years of white evangelicalism revealing how evangelicals have worked to replace the Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism or in the words of one modern chaplain with a spiritual badass As acclaimed scholar Kristin Du Mez explains the key to understanding this transformation is to recognize the centrality of popular culture in contemporary American evangelicalism Many of today's evangelicals might not be theologically astute but they know their VeggieTales they've read John Eldredge's Wild at Heart and they learned about purity before they learned about sex and they have a silver ring to prove it Evangelical books films music clothing and merchandise shape the beliefs of millions And evangelical culture is teeming with muscular heroes mythical warriors and rugged soldiers men like Oliver North Ronald Reagan Mel Gibson and the Duck Dynasty clan who assert white masculine power in defense of Christian America Chief among these evangelical legends is John Wayne an icon of a lost time when men were uncowed by political correctness unafraid to tell it like it was and did what needed to be done Challenging the commonly held assumption that the moral majority backed Donald Trump in 2016 and 2020 for purely pragmatic reasons Du Mez reveals that Trump in fact represented the fulfillment rather than the betrayal of white evangelicals most deeply held values patriarchy authoritarian rule aggressive foreign policy fear of Islam ambivalence toward MeToo and opposition to Black Lives Matter and the LGBTQ community A much needed reexamination of perhaps the most influential subculture in this country Jesus and John Wayne shows that far from adhering to biblical principles modern white evangelicals have remade their faith with enduring consequences for all Americans *God's Daughters* R. Marie Griffith, 2000-11-24 Vivid lucid and well written I came away with a better understanding of how the specific realities of being submissive wives are negotiated constructed challenged and transformed Lynn Davidman author of Tradition in a Rootless World Griffith's deft portrayal is a unique and important contribution to the study of Pentecostal spirituality and a compelling model for the retelling of women's religious experience in twentieth century American culture Margaret Bendroth author of Fundamentalism and Gender 1875 to Present **The Zondervan 2018 Pastor's Annual** T. What Wives Wish Their Husbands Knew About Women Introduction

In today's digital age, the availability of What Wives Wish Their Husbands Knew About Women books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of What Wives Wish Their Husbands Knew About Women books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of What Wives Wish Their Husbands Knew About Women books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing What Wives Wish Their Husbands Knew About Women versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, What Wives Wish Their Husbands Knew About Women books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing What Wives Wish Their Husbands Knew About Women books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for What Wives Wish Their Husbands Knew About Women books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, What Wives Wish Their Husbands Knew About Women books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of What Wives Wish Their Husbands Knew About Women books and manuals for download and embark on your journey of knowledge?
