Why Can't We Talk? John Backman,2012-10-01 Learn How to Contribute More Effectively and Compassionately to the Conversations that Shape Your Life Anything could happen when

we start to talk Nothing will happen if we don't That alone makes the way of dialogue a journey worth taking from the Epilogue Think of an issue that makes your blood boil Now imagine lunch with a friend who is just as passionate about it on the other side How can the two of you even broach the issue let alone hear each other with curiosity and compassion The answer begins long before the lunch does by learning to engage dialogue as a habit of the heart an inner transformation that the ancient practices of Christian spirituality can address This highly readable and timely guide to restoring dialogue shows you how to cultivate this transformation while preparing you to approach your adversaries with curiosity civility and compassion With dialogue expert John Backman leading the way you will Examine the obstacles that keep you from dialogue black and white thinking a distraction lifestyle the fear of change and negative impressions from others Explore the strength of character from which healthy dialogue springs and the work of the soul that cultivates them Learn practical guidelines for dialogue and how they work in an imperfect world Encounter anecdotes of dialogue in action from resolutions of interpersonal conflict to difficult dialogues on some of the most divisive issues of our age Use provocative questions at the end of each chapter to stimulate group discussion and individual reflection

Religion and Psychology in Transition James W. Jones, 2008-10-01 In this thought provoking book clinical psychologist and professor of religious studies James W Jones presents a dialogue between contemporary psychoanalytic thinking and contemporary theology He sheds new light on the interaction of religion and psychology by viewing it from the perspective of world religions providing an epistemological framework for the psychology of religion that draws on contemporary philosophy of science and bringing out the importance of gender as a category of analysis Developments in psychoanalysis provide new resources for theological reflection Jones contends The Freudian view that human nature is isolated and instinctual has shifted to a vision of the self as constituted in and through relationships Jones uses this relational model of human nature to explore the convergence between contemporary psychoanalysis feminist theorizing and themes in religious thought found in a variety of traditions He also critiques the reductionism inherent in Freud's discussion of religion and proposes nonreductionistic and genuinely psychoanalytic ways for psychoanalysis to treat religious topics For therapists psychologists theologians and others interested in spiritual or psychological issues Jones offers illuminating clinical material and insightful analysis

Encountering God through the Church Wade Rutland Howell, 2019-02-21 In this thought provoking examination of how people encounter God Wade Howell examines the way humans come in contact with the divine Howell presents a biblical theological and philosophical case for why people who are physical can have a relationship with God who is spirit With an emphasis on centrality of the local church Howell demonstrates how God designed the church to satisfy the most intimate human needs which God placed in humans so he could be the source of their fulfillment With a heart for people and a love for God's church Howell echoes Augustine in showing why our soul is restless until it finds rest in God through his church

Encounter Jesus in Genesis 1 Samuel J. Kim, 2017-03-21 **Kingdom Encounters** Tony Evans, 2020-10-06 Are Your

Trials Actually Opportunities to Behold God Many faithful church goers often feel like something is missing Perhaps you need more than a daily devotional or small group discussion Perhaps you feel like you re just going through the motions What all Christians need for the spiritual journey is a vibrant life changing kingdom encounter Dr Tony Evans identifies kingdom encounters as powerful moments when we connect with God beyond information and through experience In Kingdom Encounters Dr Evans explores how the faithful characters of Scripture encountered God and were forever changed As we see in the lives of these characters these moments often occur in the middle of conflicts and trials when we least expect it Dr Evans hope for you is that you realize that when things are going left you feel trapped and God seems absent that you are probably right where God wants you in order to experience a life altering kingdom encounter Join Dr Evans as he explores how these moments can bolster your faith restore your hope and make clear to you the face of our almighty God The Prophetic Responsibility Matthew L. Stevenson III,2019-10-01 God speaks every day You have a responsibility to listen The church is in a critical season There are unprecedented crises in every segment of the world and ungodly opinions and philosophies abound The war over truth is raging as the idea of maintaining solidarity with Jesus Christ is growing increasingly unpopular Since biblical days God has used the prophetic voice during times of crisis darkness and disaster to speak into the earth Knowing and partnering with the thoughts words plans and actions of God are not a path reserved for a select few Being prophetic should be a priority to all Christians Leaving the prophetic responsibility to those walking in the office of a prophet is not biblical God wants to unleash an unprecedented outpouring of His Spirit in the earth and bring in a record setting harvest of souls
