When You Were Here Daisy Whitney:

When You Were Here Daisy Whitney, 2013-06-04 Filled with humor raw emotion a strong voice and a brilliant dog named Sandy Koufax *When You Were Here* explores the two most powerful forces known to man death and love Daisy Whitney brings her characters to life with a deft touch and resonating authenticity Danny's mother lost her five year battle with cancer three weeks before his graduation the one day that she was hanging on to see Now Danny is left alone with only his memories his dog and his heart breaking ex girlfriend for company He doesn't know how to figure out what to do with her estate what to say for his Valedictorian speech let alone how to live or be happy anymore When he gets a letter from his mom's property manager in Tokyo where she had been going for treatment it shows a side of a side of his mother he never knew So with no other sense of direction Danny travels to Tokyo to connect with his mother's memory and make sense of her final months which seemed filled with more joy than Danny ever knew There among the cherry blossoms temples and crowds and with the help of an almost but definitely not Harajuku girl he begins to see how it may not have been ancient magic or mystical treatment that kept his mother going Perhaps the secret of how to live lies in how she died *Moonpies, Fireflies, Some Twisted Dreams, Some Truth, and Some Lies: Book One of Two* James (Jim) Linn, 2023-08-22 About the Book In this memoir and bibliography combined with philosophy and short stories James Jim Linn has collected twelve years of quotes from others and how they spoke to him his deep thoughts some poetry and thought provoking memes Linn also shares his observations about life and human nature About the Author James Jim Linn played and managed softball teams both men's and co-ed for forty seven years He now enjoys playing pickleball five days a week In his free time Linn likes to spend time with his family and friends travel to Europe and different cities in the US and learn new things
