Philip Yancey, 2009-12-15 Award winning author Philip Yancey takes you for a soul searching look at two of Christianity's most important topics WHAT'S SO AMAZING ABOUT GRACE In this critically acclaimed bestselling book Philip Yancey explores the church's great distinctive grace at street level If grace is God's love for the undeserving and if Christians are its sole dispensers then how are we doing at lavishing grace on a world that knows far more of cruelty and unforgiveness than it does of mercy Offering compelling true portraits of grace's life changing power Yancey searches for its presence in his own life and in the church And he challenges us to become living answers to a world that desperately wants to know What's So Amazing About Grace WHERE IS GOD WHEN IT HURTS If there is a loving God then why is it that You've heard that question perhaps asked it yourself No matter how you complete it at its root lies the issue of pain In this award winning book Philip Yancey reveals a God who is neither capricious nor unconcerned Using examples from the Bible and from his own experiences Yancey looks at pain physical emotional and spiritual and helps us understand why we suffer Where Is God When It Hurts will speak to those for whom life sometimes just doesn't make sense And it will help equip anyone who wants to reach out to someone in pain but doesn't know what to say

Where Is God When It Hurts? Philip Yancey, 2010-02-23 Gold Medallion Book Award Winner Over a million copies sold An inspirational classic for more than thirty years Where Is God When It Hurts honestly explores pain from physical wounds to emotional and spiritual pain and sheds new light on God's presence in our suffering How can a loving God allow this to happen God is either all loving or all powerful but he can't be both You've heard that question and perhaps you've even asked it yourself When a loved one dies we receive a terminal diagnosis or natural disasters strike people often wonder whether God is the cause of suffering and why he doesn't immediately take away the pain or fix the situation As a result we become angry at the once beloved God who betrayed us Bestselling author Philip Yancey uses examples from the Bible and from his own experiences to show us how we can learn to accept without blame anger or fear what we don't understand Along the way he answers questions such as Why is there such a thing as pain Is pain a message from God How should we respond to suffering How can we learn to cope with pain Where Is God When It Hurts speaks to everyone who thinks that suffering doesn't make sense With compassion and clarity Yancey brings us one step closer to finding an answer when our pain or the pain of those we love is real and we are left wondering where is God when it hurts One of the most helpful treatments of the problem of evil that I've ever read If I were looking around for something to give to individuals who are going through travail or difficulty this is the book I'd recommend Dr Vernon Grounds former Chancellor of Denver Seminar

What's So Amazing

About Grace? Philip Yancey, 2008-09-09 OVER ONE MILLION COPIES SOLD Discover grace as you've never known it before the most powerful force in the universe and our only hope for love and forgiveness Grace is the church's great distinctive It's the one thing the world cannot duplicate and the one thing it craves above all else for only grace can bring hope and transformation to a jaded world In *What's So Amazing About Grace* award-winning author Philip Yancey explores grace at street level If grace is God's love for the undeserving he asks then what does it look like in action And if Christians are its sole dispensers then how are we doing at lavishing grace on a world that knows far more of cruelty and unforgiveness than it does of mercy Yancey sets grace in the midst of life's stark images tests its mettle against horrific ungrace Can grace survive in the midst of such atrocities as the Nazi holocaust Can it triumph over the brutality of the Ku Klux Klan Should any grace at all be shown to the likes of Jeffrey Dahmer who killed and cannibalized seventeen young men Grace does not excuse sin says Yancey but it treasures the sinner True grace is shocking scandalous It shakes our conventions with its insistence on getting close to sinners and touching them with mercy and hope It forgives the unfaithful spouse the racist the child abuser It loves today's AIDS-ridden addict as much as the tax collector of Jesus's day In his most personal and provocative book ever Yancey offers compelling true portraits of grace's life-changing power He searches for its presence in his own life and in the church He asks How can Christians contend graciously with moral issues that threaten all they hold dear And he challenges us to become living answers to a world that desperately wants to know *What's So Amazing About Grace?*

Revised and Updated Philip Yancey, 2023-10-03 OVER TWO MILLION COPIES SOLD It's the most powerful force in the universe our only hope for love and forgiveness and a foretaste of eternal life amazing radical life-changing grace Millions of lives have been changed by award-winning author Philip Yancey's startling exploration of grace at street level Grace is the one thing the world can't duplicate the healing force we need and the key to transforming a broken world In this revised and updated edition of his personal and provocative book Yancey offers true portraits of grace's life-changing power These stories set in the midst of life's stark realities evoke such questions as If grace is God's love for the undeserving how do I get it How well are we dispensing grace to a world that knows far more of strife and unforgiveness than it does of mercy Can grace make a difference in the midst of such atrocities as the Nazi holocaust and how can it withstand the brutality of hate With powerful stories rich theology and practical suggestions Yancey challenges us to become living answers to a world that desperately needs to know *What's So Amazing About Grace* *Vanishing Grace* Philip Yancey, 2014-10-21 Why does the church stir up such negative feelings Philip Yancey has been asking this all his life as a journalist His perennial question is more relevant now than ever in a twenty-year span starting in the mid-nineties research shows that favorable opinions of Christianity have plummeted drastically and opinions of Evangelicals have taken even deeper dives The end of the politics-oriented Evangelicalism that was so dominant in the second half of the 20th century is a strong example that we are living in a post-Christian culture Yet while the opinions about Christianity are dropping interest in spirituality is rising Why the

disconnect Why are so many asking What s so good about the Good News Yancey s writing has focused on the search for honest faith that makes a difference for a world in pain In his landmark book What s So Amazing about Grace he issued a call for Christians to be as grace filled in their behavior as they are in declaring their beliefs But people inside and outside the church are still thirsty for grace What the church lacked in its heyday is now exactly what it needs to recover to thrive Grace can bring together Christianity and our post Christian culture inviting outsiders as well as insiders to take a deep second look at why our faith matters and about what could reignite its appeal to future generations How can Christians offer grace in a way that is compelling to a jaded society And how can they make a difference in a world that cries out in need Yancey aims this book at Christian readers showing them how Christians have lost respect influence and reputation in a newly post Christian culture Why do they hate us so much mystified Americans ask about the rest of the world A similar question applies to evangelicals in America Yancey explores what may have contributed to hostility toward Evangelicals especially in their mixing of faith and politics instead of embracing more grace filled ways of presenting the gospel He offers illuminating stories of how faith can be expressed in ways that disarm even the most cynical critics Then he explores what is Good News and what is worth preserving in a culture that thinks it has rejected Christian faith

A Skeptic's Guide to Faith Philip Yancey,2009 For those on the borderlands of belief Philip Yancey confronts questions of faith and religion head on If this is God s world why doesn t it look more like it For anyone who s ever wondered if the visible world is all there is for anyone who feels like an empirical understanding of reality is missing something bestselling author and fellow pilgrim Philip Yancey comes beside you to explore this tug between the visible and the invisible In the gentle understanding voice of one who s been through skepticism Yancey investigates questions like What is the good life Do my deepest experiences of beauty and pain have meaning Is there life after death If God does exist why does this world seem to be coming apart at the seams Does faith make any difference in my daily life A Skeptic s Guide to Faith previously titled Rumors of Another World reads like a conversation inviting those skeptical of religion and turned off by the church to consider the possibility of an unseen world coexisting with our visible world According to Yancey A thin membrane of belief separates the natural from the supernatural What makes it so hard for some of us to cross that membrane Look inside to find out In this powerful read Yancey tackles the tough questions and in the process comes up with a fresh new approach to this timeless topic

Rumors of Another World Philip Yancey,2009-05-18 What on earth are we missing Philip Yancey believes we are missing the supernatural hidden in everyday life In Rumors of Another World Yancey investigates the natural world and discovers the supernatural hiding in plain view He grapples with why God made the world and what our role truly is and seeks to answer the question How do I live in the natural world while expressing the values of the supernatural Philip writes I have come to understand faith as the highest form of integrated encounter Faith puts together assembles re orders accepting the entire world as God s handiwork We live among clues like rescuers sifting through pieces of stained glass shattered by a bomb and only with a blueprint or

some memory of original design can we begin to connect the shards to assemble them into a pattern that makes sense of our world Nature and supernatural are not two separate worlds but different expressions of the same reality To encounter the world as a whole we need a more supernatural awareness of the natural world Yancey invites readers to join him on a journey of discovery He challenges us to tune into rumors of another world and connect the seen with the unseen He promises that the grace filled result will be a life of beauty purpose freedom and faith *Grace Notes* Philip Yancey,2009-09-21 FOR DISTRIBUTION OUTSIDE THE USA Grace Notes collects 366 powerful daily readings from Philip Yancey s writings including some never before published These most popular and enduring works communicate Yancey s understanding of God the world and faith The readings especially touch doubters sufferers the disillusioned and out of the mold believers **Where the Light Fell** Philip Yancey,2023-03-14 In this searing meditation on the bonds of family and the allure of extremist faith one of today s most celebrated Christian writers recounts his unexpected journey from a strict fundamentalist upbringing to a life of compassion and grace a revelatory memoir that invites comparison to Hillbilly Elegy Publishers Weekly starred review Searing heartrending This stunning tale reminds us that the only way to keep living is to ask God for the impossible love forgiveness and hope Kate Bowler New York Times bestselling author of Everything Happens for a Reason Raised by an impoverished widow who earned room and board as a Bible teacher in 1950s Atlanta Philip Yancey and his brother Marshall found ways to venture out beyond the confines of their eight foot wide trailer But when Yancey was in college he uncovered a shocking secret about his father s death a secret that began to illuminate the motivations that drove his mother to extreme often hostile religious convictions and a belief that her sons had been ordained for a divine cause Searching for answers Yancey dives into his family origins taking us on an evocative journey from the backwoods of the Bible Belt to the bustling streets of Philadelphia from trailer parks to church sanctuaries from family oddballs to fire and brimstone preachers and childhood awakenings through nature music and literature In time the weight of religious and family pressure sent both sons on opposite paths one toward healing from the impact of what he calls a toxic faith the other into a self destructive spiral Where the Light Fell is a gripping family narrative set against a turbulent time in post World War II America shaped by the collision of Southern fundamentalism with the mounting pressures of the civil rights movement and Sixties era forces of social change In piecing together his fragmented personal history and his search for redemption Yancey gives testament to the enduring power of our hunger for truth and the possibility of faith rooted in grace instead of fear I truly believe this is the one book I was put on earth to write says Yancey So many of the strands from my childhood racial hostility political division culture wars have resurfaced in modern form Looking back points me forward
