The Secret Lies In The Shade Josie Walker, Joquena Lomelino, T.L. Krouse, 2018-03-26 I used to be a normal girl but all that changed when a vampire tried to eat me because I'm apparently supposed to be a freakishly powerful witch so much for being normal Steel says that the wards aren't holding like they used to More and more vampires are slipping through the cracks like the one that tried to kill me in the woods He fears there will come a point when even the nightly patrols of his shifter order won't be enough to keep the bloodsuckers imprisoned where they belong The stakes are high but I never asked for any of this If you look up hero in the dictionary I guarantee you won't find my picture there I'm just smart enough to be terrified of my ineptitude being responsible for the end of the human race Do I really have it in me to be all Merlino? And what does it mean for the world if I don't? I don't want to do this but it doesn't look like I'll have much of a choice Trigger Warning My heart goes out to anyone who has ever experienced or been close to a victim of rape As such I wanted to give advance warning that there is a rape scene in this story and that it might understandably be too much for some to handle I'd advise against reading this if the subject matter is too difficult to stomach This is book 2 in the Order of the Bear Series and the books need to be read in order for optimal enjoyment You can get book 1 here for free <https://www.amazon.com/Something-SHIFTER-This-Comes-Order-ebook/dp/B071LPWF2T> Scroll up and get your copy today The Order Of The Bear Series Reading Order Something Shifter This Way
