The Urban Web Lawrence J. R. Herson, John M. Bolland, 1990 **The Urban Web** Lawrence J. R. Herson, John M. Bolland, 1990 **Cities, Politics, and Policy** John P. Pelissero, 2002-10-01 Just because Milwaukee isn't Manhattan doesn't mean that those urban centers face completely unique challenges Through effective comparative analysis of key issues in urban studies how city managers share power with mayors how spending policies affect economic development and how school politics impact education policy students can clearly see how scholars discern patterns and formulate conclusions to offer theoretical and practical insights from which all cities can benefit Pelissero brings together an impressive team of contributors to explore variation among cities through case studies and cross sectional analyses Each author synthesizes the field's seminal literature while explaining how urban leaders and their constituents grapple with everything from city council politics to conflict and cooperation among minority groups Authors identify both key trends and gaps in the scholarship and help set the research agenda for the years to come Lively case material will hook your students while the accessible presentation of empirical evidence make this reader the comprehensive and sophisticated text you demand **The Publishers' Trade List Annual**, 1989 **Politics of Urban Runoff** Andrew Karvonen, 2011 After describing the evolution of urban runoff practices Karvonen analyzes the urban runoff activities in Austin and Seattle two cities known for their highly contested public debates over runoff issues and exemplary stormwater management practices American Book Publishing Record, 2005 *Careers in City Politics* Timothy Bledsoe, 2010-10-12 *Careers in City Politics* provides an in depth view of the vital aspects of local politics access to political office individual office holder's accountability to the public the performance of councils as collective political bodies and the often high turnover of personnel Timothy Bledsoe bases his findings on the political careers of more than eight hundred city council members representing cities with large and medium populations Tracing how some officials careers unfolded over five years Bledsoe studies their reasons for seeking office and examines how successful they were in adapting to their jobs He evaluates office holders whose council careers were cut short and those whose lengthy service qualified them as careerists paying special attention to first term officials and to those who used their seats as stepping stones to higher political offices In this first of its kind study Bledsoe offers specific recommendations for restoring some of the lost vigor to local politics **Reducing Crime Through Real Estate Development and Management** Richard B. Peiser, 1998 *Subject Guide to Books in Print*, 1993 Bibliographic Guide to Business and Economics New York Public Library. Research Libraries, 1976 **Mershon Memo** Mershon Center for Education in National Security, 1990 **Forthcoming Books** Rose Arny, 2003 Spheres of Governance Harvey Lazar, Christian Leuprecht, 2007 Local governments are becoming increasingly important around the world and functions are being shifted across levels of government This timely comparative analysis breaks new ground in the study of multilevel governance intergovernmental relations and municipal government *Spheres of Governance* systematically compares the

challenges faced by municipalities in Australia France Germany Mexico South Africa Spain Switzerland and the United States with emphasis on the relationship between the municipal and federal levels Each chapter analyzes a municipality in relation to its responsibilities functions and organization constitutional and fiscal position relations with the central government provincial and state governments mediation of these relationships and public policy development especially with regard to emergency planning and immigration and settlement The chapters also highlight the tensions and pressures for change in the systems Bibliographic Index ,1991 *The State of the Parties* John C. Green,Daniel M. Shea,1994-11 This volume provides students of political parties with up to date information on both the state of American party organizations and controversies over how these organizations are studied The collection focuses on new direction in party scholarship including debates over the vitality and relevance of the two party system the analytical usefulness of the traditional model of American parties and the import of organizational studies Local Politics Terry Christensen,1995 *Decentralization and the Development* To-bin Im,2010 **Making Cities Whole** Brad Jeffrey Reno,2001 Journal of Political Science ,1997 Yearbook of International Organizations 2004/2005 Union of International Associations,2004
