G. Melton, 2019-11-03 Valley of Vision Remix is a collection of prayers and devotions adapted from The Valley of Vision A Collection of Puritan Prayers that have been rewritten and refreshed in modern English by TG Melton This particular volume of Valley of Vision Remix focuses on praying to Our Triune God So often in our prayers we only focus on one particular person of the Trinity In fact we may have a practice of addressing God as Father or Jesus or Holy Spirit Certainly there is nothing wrong with this custom however there is a danger in this habit as it may lead us to think of God as uni personal instead of tri personal When this happens we can subtly forget the robust and exclusively unique character of our God That he is God the Father God the Son and God the Holy Spirit Three persons but one God One God yet three persons The prayers in this book engage with the mysterious Trinitarian nature of God while acknowledging that even though he is fully present with us he is also far beyond us Hopefully these truths will help us to pray with more intimacy and passion in worship of our Triune God so that we will come to know the fullness of his heart even when we cannot trace the direction of his hand and so that we will more deeply experience the nature of his love even when we cannot possibly fully comprehend the nature of his being God's Prayer Book Ben Patterson, 2008 The psalms often stretch and perplex readers as they teach but they also
