The Virgin Monologues Confessions Of A Christian Girl In The 21st Century:

The Virgin Monologues Carrie Lloyd, 2015-05-15 An insightful inspirational amusing and honest guide to relationships for the modern single Christian woman How does the single Christian woman maintain her relationships while staying true to herself How can she thrive in a predominately secular culture and keep her faith in a world that doesn't reflect her values The Virgin Monologues teaches how to do healthy relationships what to fight for and what to give up on It gives healthy principles to understand before looking for a team mate Endorsements It may be that this does not paint the whole picture of your single life but guaranteed there will be plenty of shared experience hurts accidents and adventures within these pages With refreshing honesty courage and humour Carrie publicly has the conversation so many of us have had in private Her passion for Christ is a constant theme throughout this engaging challenging and inspiring read It's tough being a single Christian girl in a world full of feelings and emotions and expectations and hopes and dreams and aspirations Like a best friend spilling her deepest thoughts onto the page some heartbreaking and some hilarious Carrie takes us on a journey past shame and heartache and faux pas to healing and freedom and truth This book will be a companion to any sassy young woman wanting to make sense of who she is in the midst of all of life's stuff Chine Mbubaegbu head of media author of Am I Beautiful Authentic The Virgin Monologues opens up much needed space for dialogue in the Christian community about the way we communicate to women and girls about sex Carrie's sincerity and openness about her personal experiences offer a relatable alternative to the dysfunction of the corporate media's version of today's sexual narrative and the too often shaming response from the religious communities The Virgin Monologues should be a staple in every spiritual library I love this book It is honest funny challenging and inspiring Just like its author Carrie is not afraid to say it as she sees it and whether you agree with her or not what comes across more than anything else is her infectious passion for Jesus and her longing for others to encounter him and be changed If like me you're dissatisfied with the rubbish about love life and relationships that you sometimes inhale here's your chance to breathe in beautiful and wild words of wisdom that lead to life Carrie has captured the art of celebrating who she is while still believing the best is yet to come It makes for a captivating read and an even more infectious life The Virgin Monologues is a wonderfully courageous ride through love and life I found Carrie's honest communication about what it's like to navigate the joyous and sometimes perilous journey through relationships refreshing In her book Carrie has invited us to not only do better in relationships but to be a better people I know this book may seem on the surface to be geared towards women However men will find it fascinating and challenging and will probably be better men for reading it A must read Gabe Valenzuela 2nd Year Overseer Bethel School of Supernatural Ministry In this book Carrie reminds us that what is most important is actually understanding and living out of a place of knowing who we are in Christ and how that needs to be at the foundation of how we see ourselves When we do it will transform how we do relationships single people or married Nici Cahusac

inspirational amusing and honest guide to relationships for the modern single Christian woman How does the single Christian woman maintain her relationships while staying true to herself How can she thrive in a predominately secular culture and keep her faith in a world that doesn't reflect her values The Virgin Monologues teaches how to do healthy relationships what to fight for and what to give up on It gives healthy principles to understand before looking for a team mate

The Struggle to Stay Katie Gaddini, 2022-03-08 Evangelical Christianity is often thought of as oppressive to women The MeToo era when many women hit a breaking point with rampant sexism has also reached evangelical communities Yet more than thirty million women in the United States still identify as evangelical Why do so many women remain in male dominated churches that marginalize them and why do others leave In each case what does this cost them *The Struggle to Stay* is an intimate and insightful portrait of single women's experiences in evangelical churches Drawing on unprecedented access to churches in the United States and the United Kingdom Katie Gaddini relates the struggles of four women interwoven with her own story of leaving behind a devout faith She connects these personal narratives with rigorous analysis of Christianity and politics in both countries and contextualizes them through interviews with more than fifty other evangelical women Gaddini grapples with the complexities of obedience and resistance for women within a patriarchal religion against the backdrop of a culture war Her exploration of how women choose to leave or remain in environments that constrain them is nuanced and personal telling powerful stories of faith community isolation and loss Bringing together meticulous research and deep empathy *The Struggle to Stay* provides a revelatory account of the private burdens that evangelical women bear

Webster, 2012-11-13 How might women in the Bible tell their stories if they were prompted to do so by Eve Ensler's controversial play *The Vagina Monologues* This collection imagines some answers to that question The monologues herein are written by a variety of authors including scholars undergraduates clergy and laywomen the content of the narratives

reflects this variety being at times faithful or irreverent tragic or even funny All seek to give twenty first century voices to women in canonical texts including the Hebrew Bible Deuterocanonical books and New Testament who are often speechless nameless or otherwise marginalized Not for the faint of heart these monologues not only end the silences but also add flesh and bone to characters whose experiences have too easily been justified metaphorized or altogether ignored By naming the torn places in these women s stories this volume invites readers to encounter both the biblical characters and their contemporary interpreters with an attitude of compassionate listening Our hope is that such compassionate listening may contribute not only to more just readings of sacred texts but also to the mission of Eve Ensler and V Day to end global violence against women and girls

[Daughters of God](#) Wanda Wallin Bristow,2021-05-14 Within ten engaging monologues the influential stories of biblical women drawn from both the Old and New Testaments come alive as each shares her thoughts emotions and experiences of faith In voices that still speak to us today Eve Hannah Naomi Ruth Esther Lady Wisdom Mary Mother of Jesus Mary Magdalene Martha of Bethany and Mary of Bethany bring us powerful messages from God s word While exploring the details of these women s lives and perspectives each drama also offers valuable lessons to be learned from their stories and views that highlight their courage faith and ability to inspire those around them Included is guidance on how to perform these dramas with tips on memorization and characterization staging props and costumes This resource of thoroughly researched and well written dramas will be a valuable addition to any Bible study or church organization desiring to explore and to learn from the lives of women of the Bible Cheryl L Nydam Bible teacher and retreat speaker

The Virgin Monologues ,2016-02-01 As a Christian girl in the twenty first century is purity relevant How can you do healthy relationships while you are single Why does Mr Potential never reach his potential Is the fear of singledom making you settle for second rate And why are so many Christians so Christ less in their approach to dating Ditching the checklist for finding Prince Charming this is an honest amusing account of the true life trials of Christian dating from journalist and relationship coach Carrie Lloyd She guides you with wit and sparkle through the tried and tested tools that help to create beautiful Christ like relationships

Monologues of Women of the Bible Iva I. Williams-Harris,2019-07-12 Monologues of Women of the Bible is designed to provide Christian monologues in the market place particularly for female actors This will give actors additional choices of monologues to select Perhaps these monologues will address and help someone who is experiencing spiritual warfares in their lives

Adopting the Song of Expression: An Mental Symphony within **The Virgin Monologues Confessions Of A Christian Girl In The 21st Century**

In a global eaten by screens and the ceaseless chatter of instant conversation, the melodic elegance and mental symphony produced by the published word often disappear in to the back ground, eclipsed by the relentless sound and disturbances that permeate our lives. Nevertheless, nestled within the pages of **The Virgin Monologues Confessions Of A Christian Girl In The 21st Century** a wonderful literary prize full of natural emotions, lies an immersive symphony waiting to be embraced. Crafted by an elegant musician of language, that charming masterpiece conducts visitors on a mental journey, well unraveling the hidden tunes and profound affect resonating within each cautiously constructed phrase. Within the depths of the touching analysis, we shall investigate the book is central harmonies, analyze their enthralling writing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
