Durden, 2009-10 An ordained minister originally from the Church of God in Christ but now serving as a Pastor in ministry at Christ Assembly Fellowship Born 9 of 13 brothers and sisters from the deep south of Georgia to the small alleys of Harrisburg PA to the low income row homes of the projects it was not always easy ascertaining the Truth My military career in the United States Navy of 24 years quickly exposed me to a myriad of truths and lies My first experience concerning the Truth of Scripture was meticulously challenged while serving in the United States Navy I met a Brother in Christ who was much older than I and who had good understanding and knowledge of the Scriptures His understanding and knowledge was so good that at 19 years old he impressed me immensely This Brother became my mentor and most definitely of his Bible knowledge I did not solicit his guidance but it was one of those things that kept drawing me back to what he had to offer in the way of challenging my faith and Bible knowledge I remember one question he put to me one day he asked what do you know about December 25th My QUICK response was of course it is the birthday of our Lord and Saviour But his reply seriously challenged and shattered EVERYTHING I believed I did not speak to him for quite some time because my parents warned me about people like him But there was that drawing and wanting to know the Truth that took me back to wanting to know his views that subsequently started me on the path of seeking the knowledge of the Truth I have not ceased since those days of digging up the Truth about God and His Holy Word The Nation ,1991 *Islamic and European Expansion* Michael Adas, 1993-07-20 This volume of essays makes available the essential background information and methods for effective teaching and writing on cross cultural history The contributors some of the most distinguished writers of global and comparative history chart the advances in understanding in their fields of concentration revealing both specific findings and broad patterns that have emerged The cover image The Arrival of the Dutch at Patane from Theodore de Bry India Orientals Part VIII Frankfurt W Richter 1607 depicts the two key phases of global history that are covered by the essays Muslim inhabitants of the town of Patane on the Malayan peninsula warily confront a Dutch landing party whose bearing suggests that it is engaged in yet another episode in the saga of European overseas exploration and discovery The presence of the Muslims in Malaya reflects

an earlier process of expansion that saw Islamic civilization spread from Spain and Morocco in the west to the Philippines in the east in the millennium between the 7th and 17th centuries The Dutch came by sea to an area on the coastal and island fringes of Asia the one zone where their warships gave them a decisive edge in this era The citizens of Patane had good reason to distrust the European intruders since the Portuguese who had preceded the Dutch had used force whenever possible to control the formerly peaceful trade in the region and often to persecute Muslim Peoples Author note Michael Adas is Abraham Voorhees Professor of History at Rutgers University New Brunswick He is currently editor of the American Historical Association s series on Global and Comparative History and co editor of the Cambridge University Press series on Studies in Comparative World History He has published numerous articles and books including most recently with Peter Stearns and Stuart Schwartz *World Civilization The Global Experience* 1992 and *Turbulent Passage A Global History of the Twentieth Century* 1993
