The Way We Live With The Things We Love:

The Way We Live Now ... With Illustrations Anthony Trollope, 1875 *Barefoot Church* Brandon Hatmaker, 2011-11-01

There's got to be more to church than this. People around the world are seeking a community that focuses more on others than on themselves. Yet most don't know where to start. Drawing from his own journey, Brandon Hatmaker reminds us that serving the least is not a trendy act of benevolence but a lifestyle of authentic community and spiritual transformation. In *Barefoot Church*, he explains practical ideas for creating service-based missional communities. How the organizational structure of a church can be created or restructured for mission in any context. How any church can truly be a catalyst for individual, collective, and social renewal. Whether you are a leader or a layperson, this book is meant to renew your passion for the church and inspire you to take your affections off yourself, place them on people who have nothing to offer you, and lead others to do the same.
