The White Makaveli:

The White Book Mackaveli, Makaveli, 2007-10 Most of us believe in information Some believe in truths while others believe in magic Information is what we can see truth is what we feel and magic is what we instinctively know is true On December 4th 1981 the president of the United States issued Executive Order 12333 concerning the activities of the intelligence community Paragraph 2 11 of that order states No employee of the United States Government shall engage in or conspire to engage in assassination But upon learning of the political ties and aspirations of one charismatic young entertainer and philanthropist certain agencies broke that order in the fall of 1996 when the star was killed in a barrage of bullets fired by a confidential informant commissioned for just such an act After a decade of silence the files have been unsealed and the shooter will now be revealed Some call him a hero others say he s a villain and some even call him a god The White Book provides a glimpse at man s perspectives of the cultural history of the United States assassination government cover ups and his perpetual pursuit of what sets us all free the truth Original Gangstas Ben Westhoff, 2016-09-13 Raw authoritative and unflinching An elaborately detailed darkly surprising definitive history of the LA gangsta rap era Kirkus starred review A monumental revealing narrative history about the legendary group of artists at the forefront of West Coast hip hop Eazy E Dr Dre Ice Cube Snoop Dogg and Tupac Shakur Amid rising gang violence the crack epidemic and police brutality a group of unlikely voices cut through the chaos of late 1980s Los Angeles N W A Led by a drug dealer a glammed up producer and a high school kid N W A gave voice to disenfranchised African Americans across the country And they quickly redefined pop culture across the world Their names remain as popular as ever Eazy E Dr Dre and Ice Cube Dre soon joined forces with Suge Knight to create the combustible Death Row Records which in turn transformed Snoop Dogg and Tupac Shakur into superstars Ben Westhoff explores how this group of artists shifted the balance of hip hop from New York to Los Angeles He shows how N W A s shocking success lead to rivalries between members record labels and eventually a war between East Coast and West Coast factions In the process hip hop burst into mainstream America at a time of immense social change and became the most dominant musical movement of the last thirty years At gangsta rap s peak two of its biggest names Tupac and Biggie Smalls were murdered leaving the surviving artists to forge peace before the genre annihilated itself Featuring extensive investigative reporting interviews with the principal players and dozens of never before told stories Original Gangstas is a groundbreaking addition to the history of popular music *The Wire*, 2007

His Wife for a Year Tangela L. Clayton,2022-05-01 Makaveli Mak Mitchell has had enough of the games and manipulation that has managed his life SM Mitchell wants to exit his old way of living and begin a new but doesn't have the motivation until his next assignment Change is in the air and so is something else that gives Makaveli a glimpse of a better future However to move forward he must deal with his past Except the trip down memory lane may be a dead end Kendi Markus doesn't know the ugliness of the world around her as she lives within the safety of her family Craving adventure she joins the military and innocently becomes a target of big portions With her life on the line she remains loyal to what she knows even if it kills her Mina's Joint Keisha Ervin,2016-04-26 Once again she's back Keisha Ervin that is with her spellbinding tale of love family money and scandal In this sizzling new story Keisha introduces you to Mina Matthews She is not your typical around the way girl her dreams of making a life for herself outside the hood are now a reality At the age of 25 she has her own full service salon Mina's Joint drives a CLK55 and is engaged to Andrew the son of the mayor of St Louis To most she has it all but everything that glitters ain't gold Mina's life is turned upside down when the man of her dreams and childhood sweetheart Victor Gonzalez re-enters her life Suddenly everything that she thought was true turns out to be a lie Will her loyalty to Andrew overshadow her love for Victor or will the pasts of these two men bring her life to an end

Almost a Failure Joseph C. Martin,2011-12-29 For seventeen years I lived in America's first housing projects I've witnessed in full contrast the struggles of living in poverty the drugs and the everyday violence Statistics read that I would never see the year two thousand because of Black on black crime In the nineteen eighties throughout the mid nineties seven out of ten African American males were dying because of Black on Black crime My story is one that is rarely told or heard coming from the projects in the voice of a precarious child to a dysfunctional teenager and a spiritually broken young man As people we love to reminisce and we all have those memories that are forever burned into our mind Some memories make us feel emotional either happy or sad Then some people are witnesses to some things in life and those memories haunt them I'm a witness and those memories are now a part of my testimony in a unique read titled Almost A Failure my life without Jesus Christ My proposed title Almost a Failure will take the reader inside my life and my family This book will give inspiration and spiritual motivation to the young adults teens and the adults from my generation and those who love to read real life testimonies I also discuss two controversial topics The hip hop industry and politics and religion my endeavors in the music business and how politics and religion affect the way we live in Black America **CrossRoutes, the Meanings of "race" for the 21st Century** Paola Boi,2003 This collection reflects the still urgent project of historical recuperation as well as an examination of literary representations and other cultural manifestations of the Black Diaspora Disciplinary work within the

boundaries of African American Studies has been enhanced by more general considerations of the history of race and racism in globalized contexts. The articles assembled here reflect recent empirical research as well as challenging theoretical considerations. Contributions address particular formations of racialized modernity owed to the impact of the Atlantic slave trade and slavery and thus broaden the approach to the Middle Passage to improve our understanding of it as a constitutive transatlantic phenomenon in the widest possible sense.

Legends of Music Charles River Editors, 2025-05-05

At the renowned Coachella music festival in 2012, crowds looked on with awe and stunned silence as the world's most famous rapper took the stage to deliver a fiery performance of two of his well-known hits alongside friend and former collaborator Snoop Dogg. The legendary Tupac Shakur had just overshadowed every other performer at the festival despite the fact he'd been dead for over 15 years. The 2Pac Hologram was only the latest buzzworthy headline that Tupac has generated long after he was infamously gunned down just off the strip in Las Vegas back in September 1996. Since his death, Shakur's estate has released far more music posthumously than Pac released in his all too brief career, amazing fans and music critics alike. In addition to the music that still keeps finding the light of day, the hologram performance was another fitting example that music fans continue to refuse to let him go, with some even going so far as to speculate that he faked his death. Why does Pac continue to hold such a high place in pop culture among anyone who grew up in the last 40 years? The answers can be found in his turbulent life: unsolved murder and the fact that most of the topics of his music continue to be relevant today. Born to a single mother who later developed an addiction to crack, Pac's childhood was marred by constant moving, living in squalor, and eventually being homeless as a teenager in The Jungle. Marin City. Always a fan of performing, Pac channeled his rage, energy, and charisma into a rap career fueled by his inability to forget how he grew up and the social ills he witnessed. Rising from roadie for Digital Underground to his own spectacular single career, Pac rode his controversy and classic music to the national forefront, becoming front-page news for both his arrests and hit records. Becoming the first man to have a 1 album while in jail, Pac was eventually bailed out by Suge Knight, CEO of Death Row Records, and from 1995-1996 became rap music's biggest name. He would release the first original double CD in rap history with *All Eyez on Me* in February 1996, and the classic *Makaveli* album recorded and produced in just a week in November 1996. Both went 1, but Pac wasn't around to see *Makaveli*'s success, having been infamously gunned down after a Mike Tyson fight on September 7, 1996, in Las Vegas. His murder remains unsolved. Having become a rap icon cut down in the prime of his life and career with the music to match the story of his life, Pac's name and legacy are sure to endure.

Legends of Music: The Life and Legacy of Tupac Shakur details the life, career, and legacy of the world's most famous rapper, detailing how his upbringing shaped his philosophy and music, the theories surrounding his death, the conspiracy theories that he faked his death, and descriptions of Pac in the studio. **Vibe**, 2004
