The White Horseman The Beginning Of The End:

The revelation of St. John Irma Korte,2020-01-03 Could the Revelation of St John inspire us even today in our own spiritual quest Yes answers Dr Korte an author of several books and articles interpreting myths and the Bible as she reads man s spiritual transformation in St John s visions Irma Korte questions the common view of Revelation as a prophesy of horrors and God s revenge and instead invites the reader into man s inner world Here St John contemplates in pictorial mythical language the most essential problems in religion such as the nature of man reality and evil As the visions proceed St John himself experiences a profound inner change He gives up alienating religious beliefs and moves toward ever deeper spirituality culminating in the final illumination Interpreting the visions much like myths are analyzed in Jungian thought Dr Korte compares the images in St John s visions to those from other religious texts psychological and philosophical theories mythology and yoga literature as well as from dreams and experiences of present day men and women The many quotations from the works of Occidental and Oriental mystics testify that they have used images similar to those of St John in recounting their own experiences These mystics include among others St Teresa of Avila St John of the Cross and Paramahansa Yogananda The Final Battle for Earth Obinna C. D. Anejionu,2022-08-18 The Final Battle for Earth presents events contained in the Book of Revelation a 2000 year old prophetic book in the Holy Bible as a well orchestrated divine plan to take over the control of the earth from Satan This final battle to crush Satan and his minions will be accompanied by a series of cataclysmic natural and anthropogenic events hunger economic crisis war pandemics and unprecedented natural disasters that may be attributed to climate change There is a consensus that the earth is facing a dangerous future The United Nations projects that almost half of humanity is at risk of dying While the scientific community link this danger to climatic impacts many Christians believe that the end of age is imminent Cryptic details of the events surrounding the Second Coming of Christ and end of age carefully hidden in the Revelation predict a series of catastrophic events that will cause the death of over half of the world s population The Final Battle for Earth thoughtfully outlines the end time events and challenges long held ideas and theories concerning the end time especially those surrounding the fall of Satan the great tribulation the rapture the first resurrection the Battle of Armageddon and what is expected of Christians during the end time *Jesus Reveals Revelation* Charles H. Huettner,2016-12-16 I offer you a fresh and inspired non fiction book and Bible study guide to the Book of Revelation Apocalypse This book will take you on a spiritual journey of understanding based on Jesus words in the Bible that is different from traditional interpretations of this end time prophecy It provides an excellent way to engage with God s word to seek the truth This book is based on the idea that Jesus has provided the information in the Gospels that would unlock the mysteries of Revelation Mat 24 33 34 33 so you too when you see all these things recognize that He is near right at the door 34 Truly I say to you this generation will not pass away until all these things take place God gave us Revelation to show his followers the things which must shortly take place Why shortly Revelation is addressed to the end

times generation and it is only then that the revelation is to become fully revealed Now is the time As I guide you on this journey I will show you the keys that will transform Revelation into an easily understood message from God Amazingly one key is that Revelation was written out of chronological order at God s direction to seal it up until the end times This Revelation guide is filled with ideas and concepts that will keep your Bible study group engaged in Spirited discussion In Chapter 9 Are We the End Time Generation I describe where we might be in biblical prophecy based on the reordered Revelation I believe that the end times have begun and that the baby boomer generation will see the end of it all This makes understanding Revelation all the more important

Revelations of the End Dr. Robert "Andy" Gowins,2025-02-05 Revelations of the End A Fresh Look at an Ancient Eschatology is not a traditional chapter and verse breakdown of the major themes of the New Testament book of Revelation It is however an eschatological commentary that utilizes the framework of the book of Revelation to revisit the traditional and orthodox end time teachings of the church for most of its history The book attempts to address the eschatological expectations of the early first century church for whom this apocalyptic and prophetic letter was originally written It seeks to explain the Old Testament eschatological expectations through the structure of New Testament eschatological revelations as expressed through the letter of Revelation This eschatological commentary is an attempt to revisit the biblical historical and orthodox teachings of the church concerning matters of the last days

Revelation Rob

Dalrymple,2024-06-27 Could the cry Come out of her My people Rev 18 4 not be needed more today than it was when John penned the Apocalypse The book of Revelation begins and ends with the affirmation that God is the world s true Lord not Caesar In telling this story John lays out for us the fact that Christ s kingdom is not like the kingdoms of the world The kingdoms of the world rule by force and at the expense of the masses and for the benefit of those in power Jesus s kingdom however comes through love In Christ s kingdom power is demonstrated by laying down one s life for one s enemies Jesus of course demonstrated this kind of love on the cross and he calls us to do the same We have nothing to fear After all Jesus was dead and now he is alive and he has the keys to Death and Hades Unfortunately many interpreters have come to believe that the devastation and destruction depicted in the book of Revelation in particular in the accounts of the Seven Seals and the Seven Bowls are God s end times wrath But have we ever stopped to consider that this portrait of God is fundamentally at

odds with the gospel And with Jesus s call for us to love one another even as he loved us The book of Revelation tells a different story
