Answering the Hard Questions Robert R. Hill, 2022-11-03 No question should be off limits if it is asked with the intent of seeking truth But many Christians do not know how to answer some of the hard questions about the Bible and the Christian faith Could you answer these questions What would you do if you were asked one of these questions from an unsaved friend What would you do if your children asked you one of these questions

- 1 If God is real then why doesn't he show himself
- 2 If God is real then why does he allow suffering and evil to continue
- 3 How can God be real when secular science shows that everything has an explanation without God
- 4 If God is a merciful kind and forgiving God then why did he order the slaughter of whole people groups including men women children and their animals too
- 5 Why would a loving God send anyone to an eternal hell
- 6 How can God be real since the Bible says God is love but commands the barbaric death of innocent animals in the Old Testament and Jesus says to eat his body and drink his blood And there are other weird things in the Bible too
- 7 How can God be real since we don't see a difference between people who call themselves Christians and the rest of the world

This series is designed to equip Christians to answer these types of hard questions in defending the Bible and the Christian faith We must be able to

respond to these types of questions or else we will not be confident in our faith and therefore we will be weak in witnessing I want you to be able to answer these questions quickly and confidently to be an effective and passionate ambassador for Christ
