Garden Spot David J. Walbert, 2002 Each year millions of tourists are drawn to Lancaster County Pennsylvania to experience first hand the quintessential pastoral both as an escape from urban life and as a rare opportunity to become immersed in history The area has attracted visitors eager to catch a glimpse of the distinctive religious community of the Old Order Amish to appreciate the beauty of the farmland to enjoy the abundant and delicious food of the Pennsylvania Dutch and most recently to shop at the area s outlet malls For nearly three hundred years Lancaster county has been a model of agricultural prosperity rooted in the family farm The rural character of the place remains Lancaster s predominant tourist attraction but is at odds with its rapidly rising population and the commercial and residential

growth that has brought It is the tension between rural tradition progress and urbanization that lies at the core of Garden Spot David Walbert examines how twentieth century American culture has come to define and appreciate rurality and how growth and economic expansion can co exist with preservation of the traditional ways of life in the region Will small farms fail in a culture that has increasingly come to value productivity over quality of life What impact will further development have on maintaining this region s character Can rurality and progress co exist in the 21st century A vivid portrayal of the land and people residents and outsiders alike Garden Spot narrates the history of this region and considers the challenges Lancaster County and its people face in order to preserve their unique place More Makeshift Workshop Skills James Ballou,2018-01-23 James Ballou tapped a nerve with his best selling Makeshift Workshop Skills for Survival and Self Reliance and now he s back with even more plans projects and concepts for do it yourself craftsmen preppers and anyone interested in creative improvised workshop methods Get set to learn how to make dozens of useful items out of nothing more than scrounged materials or common inexpensive products found in every home MORE HOMEMADE TOOLS AND HARDWARE When there is no hardware store you ll need to know how to make your own tools and parts Learn even more clever ways to make your own screwdrivers scissors saws screws nuts hinges MORE MANUALLY POWERED MACHINES When there is no electricity manually powered machines will need to replace your power tools Learn how to make workshop machines operated by foot pedals hand cranks treadles spring poles MORE MAKESHIFT CONSTRUCTION When you re low on cash it s convenient to be able to construct your own useful things instead of shelling out money at the store Now you can create all sorts of functional items out of discarded plastic scrap metal duct tape empty bottles spent ammo MORE MAKESHIFT MINDSET When you can t just drop by the store for the parts or tools needed to complete a project your most important tool will be your mind Ballou helps you develop a makeshift mindset so you too can come up with unconventional ways to accomplish your workshop goals All this plus even more intriguing projects that are not only practical to have but fun to build Learn how to assemble your own hand truck out of ordinary steel pipe form a handsome knife sheath and pistol holster out of a worn out bucket put together a spectacular pedal powered lathe out of common lumber and parts and much more
