James George Frazer

The Wandering King 1 Summer Harvest War:

The Wandering King (Book 1) ,2013 Twenty five hundred years ago the people of ancient Sparta developed a military society and ethos unlike anything the world had ever seen At age seven boys were taken from their homes and enrolled in a training school called the agoge designed to encourage discipline and physical toughness At age twelve they were given one garment that was to last all year went around barefoot and fed sparingly At age 18 they roamed the countryside as members of a mysterious organization called the krypteia murdering unsuspecting serfs called helots If they survived at age 20 they graduated and entered the Spartan army where they served till age 60 Though harsh Sparta produced the best professional soldiers of the ancient Greek world Stephen Marte has gone back to the time period prior to the Persian Wars to Sparta s golden age to write a carefully researched novel about its people and its part in a seminal period during Greek history that saw the first clashes between East and West and creation of the world s first democracy His central character is based on a little known Prince of Sparta named Euryanax The book begins I am called Euryanax and I am a Spartan In the Dorian tongue eury means wandering and anax means king The wandering king From my name comes my story Euryanax was a grandson of the Spartan King Anaxandridas and potential heir to one of Sparta s two royal families The story starts twenty four years before the fabled Battle of Marathon when Euryanax is twelve years old and follows him from his training in the agoge to the shores of Libya where his father Dorieus builds a colony and comes into conflict with the Persian Empire s allies Phoenicia and Carthage This is only the beginning of a lifetime of wandering for Euryanax During his adventures around the Mediterranean this Prince of Sparta learns how to fight how to lead men how to think and how to love all of which is woven across the colorful tapestry of actual historical events One of the author s goals in writing this series was to introduce readers to the intriguing characters found in Herodotus great work The Historie Leonidas Gorgo Chilon Dorieus Cleomenes Pausanias Themistocles Miltiades Mardonius Pythagoras0 4they are all here and depicted from an engaging new perspective For example is Euryanax s uncle Leonidas the legendary hero glorified in books and movies who sacrificed himself at the pass of Thermopylae to save Greece or is he a schemer a murderer the killer of his own brother Cleomenes whose daughter Gorgo he married to become king Was Euryanax s cousin Pausanias the strategos of the Battle of Plataea one of the greatest generals of all time or was he a simple minded bully who took credit for the achievements of better men Was Euryanax s uncle Cleomenes the madman Herodotus reports or was he in fact a wise ruler misunderstood and maligned by his own countrymen and history What motivated Euryanax s father Dorieus to leave Sparta and build colonies in Libya and Sicily was he working under the orders of the Spartan state or was he envious because the ephors had selected his brother Cleomenes king The answers to these and other questions are a part of the rich fabric of The Wandering King It is no small wonder that Euryanax is called the wandering king His father was a king in his own right and fought his way across Libya Italy and Sicily Join Euryanax as he wanders from Sparta to North Africa where he takes part in the siege of the Phoenician stronghold at
