The War Of The Flowers:

The War Of The Flowers Tad Williams, 2006-09-05 An unforgettable urban fantasy that turns faerie lore on its ear by a New York Times bestselling author Library Journal A rock musician plummets into the dangerous world of the Faeries with a foul mouthed sprite as his only ally in this masterpiece of fantasy worldbuilding Locus Theo Vilmos is a 30 year old lead singer in a not terribly successful rock band Once he had enormous almost magical charisma both onstage and off but now life has taken its toll on Theo Hitting an all time low he seeks refuge in a isolated cabin in the woods While there he reads an odd memoir written by a dead relative who believed he had visited the magical world of Faerie And before Theo can disregard the account as the writings of a madman he too is drawn to a place beyond his wildest dreams a place that will be and has always been his destiny Returning to the fantasy genre that made him a coast to coast best selling phenomenon Tad Williams writes this stand alone contemporary fantasy novel set in Northern California and also in the strange parallel world that coexists in the farthest reaches of the imagination
