Three Central Issues In Contemporary Dispensationalism Three Central Issues In Contemporary Dispensationalism:

Three Central Issues in Contemporary Dispensationalism Stanley D. Toussaint, J. Lanier Burns, Foreword by Charles R Swindoll This work examines 1 methods of interpretation 2 the biblical covenants and 3 the relationship of Israel and the church from the viewpoints of both the traditional and progressive dispensationalists Three Central Issues in Contemporary Dispensationalism Darrell L. Bock, Elliott Johnson, 1999 Foreword by Charles R Swindoll This work examines 1 methods of interpretation 2 the biblical covenants and 3 the relationship of Israel and the church from the viewpoints of both the traditional and progressive dispensationalists **The Dispensational-Covenantal Rift** R. Todd Mangum, 2007-06-01 This groundbreaking study explores how the fight between dispensationalists and covenant theologians started and how a unique dynamic of personalities and sociological factors enflamed it Readers may be surprised to discover that even the terminology of dispensationalists and covenant theologians originated in the 1930s disputes that the majority of the original protagonists on both sides were Presbyterians and that soteriology rather than eschatology was the original bone of contention between them This study examines how two respective strands of fundamentalism came to identify one another as theological rivals as they each vied for position in their recently formed separatist bodies The significance of disagreements over dispensationalism is explored in the founding of the Orthodox Presbyterian and Bible Presbyterian churches And then as the debate traveled southward the response of the PCUS is examined with special attention given to the consummative reports of an ad hoc committee that found dispensationalism to be out of harmony with the Westminster doctrinal standards Significant misunderstandings that impeded fruitful dialogue from the beginning are clarified particularly those that have persisted most stubbornly to the present day Perhaps most surprising of all the reader will discover that nearly all of the original points of debate between dispensationalists and covenant theologians have since been resolved as each side has honed its position in light of pertinent critiques Why has this development gone almost unnoticed This study suggests an answer and proposes that understanding how the feud began may hold the key to rapprochement today The Fulfillment of the Davidic Covenant Patrick W. Nasongo, 2019-01-01 The author discusses three major hermeneutical views concerning the fulfillment of the promises God made in the Davidic Covenant that is a house dynasty a kingdom realm and a throne right to rule He shows how the adherents of each view differ regarding the timing and nature of the fulfillment of each aspect He also investigates the hermeneutical methodology of each view to determine how they arrived at their conclusions and then he analyzes their conclusions from an exegetical perspective Furthermore he explains in detail and defends the view he considers to be biblical Most of all in an age where compromise on biblical interpretation has become the norm he encourages his readers to interpret the Scriptures according to the normal laws of language in order to arrive at their intended meaning I am honored to endorse this book for Patrick Nasongo His extensive research reveals why three

prominent evangelical approaches differ in their interpretations of the fulfillment of the Davidic Covenant His analysis is fair and the reader will learn much about each methodology Larry A Tyler Ph D Dean Bowman School of Bible Theology Temple Baptist Seminary

Israel, the Church, and the Middle East Darrell L. Bock, Mitch Glaser, 2018-04-24 The relationship between the church and Israel has been the source of passionate debate among Christians throughout much of church history In recent years the traditional pro Israel stance of evangelicals has come under fire by those who support the Palestinian cause calling for a new perspective and more nuanced approach by Christians who believe that the land of Israel belongs to the Jewish people by virtue of God's covenants and promises Israel the Church and the Middle East challenges the supersessionist drift of the modern church showing that God retains a plan and purpose for the Jewish people while also addressing a number of the divisive issues raised by authors critical both of Israel and of those who affirm Israel's right to the land The book explores the hermeneutics and wider effects of the conflict such as the growing antipathy within the church toward the evangelization of the Jewish people It provides readers with an objective and interdisciplinary treatment which is irenic and respectful in tone The book is directed toward pastors global Christian leaders theological students and well read lay Christians who are actively seeking guidance and resources regarding the Middle East conflict The contributors represent a broad evangelical spectrum

Discontinuity to Continuity Benjamin L. Merkle, 2020-06-03 In *Discontinuity to Continuity* Benjamin Merkle brings light to the debates between dispensational and covenantal theological systems Merkle identifies how Christians have attempted to relate the Testaments placing viewpoints along a spectrum of discontinuity to continuity Each system's concerns are sympathetically summarized and critically evaluated

The Drama of Preaching Eric B. Watkins, 2017-02-16 Preaching is dramatic Through it we hear the voice of the living God as he speaks to us both through the reading and the preaching of the word of God But where do the hearers of sermons fit into the drama This book suggests ways in which the drama metaphor may help to address age old questions about the centrality of the gospel and the place of the hearer in preaching As God in Christ is the central character in the biblical drama of redemption he also calls hearers to understand their role in creatively yet faithfully living according to the biblical script Thus no sermon is complete until God's redemptive work is powerfully proclaimed and his people are instructed in how they too are participating in the *Missio Dei* In this work Hebrews 11 is employed as a means of showing how God not only reveals his redemptive work to his people but also through them As postmodernism sets the stage of contemporary preaching *The Drama of Preaching* interacts with some of the particular challenges preachers face in engaging postmodern listeners that they might not only be hearers but doers of the preached word

1 and 2 Chronicles Andrew E. Hill, 2010-05-11 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written

Evangelical Theology Michael F. Bird, 2013-10-29 *Evangelical Theology* is a systematic theology written from the perspective of a biblical scholar Michael F Bird contends that the center unity and boundary of the evangelical faith is the evangel gospel as opposed to things like justification by faith or inerrancy The evangel is the unifying thread in evangelical theology and the theological hermeneutic through which the various loci of theology need to be understood Using the gospel as a theological leitmotif an approach to Christian doctrine that begins with the gospel and sees

each loci through the lens of the gospel this text presents an authentically evangelical theology as opposed to an ordinary systematic theology written by an evangelical theologian According to the author theology is the drama of gospelizing performing and living out the gospel in the theatre of Christian life The text features tables sidebars and questions for discussion The end of every part includes a What to Take Home section that gives students a run down on what they need to know And since reading theology can often be dry and cerebral the author applies his unique sense of humor in occasional Comic Belief sections so that students may enjoy their learning experience through some theological humor added for good measure

NIVAC Bundle 2: Historical Books Robert L. Hubbard, Jr., K. Lawson Younger, Bill T. Arnold, August H. Konkel, Andrew E. Hill, Karen H. Jobes, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written

Where Is the Promise of His Coming? David L. Mathewson, 2018-10-26 The New Testament contains numerous statements by Jesus and New Testament authors that seem to suggest that Jesus was coming back soon in their lifetime But two thousand years later here we still are How do we handle this apparent failed prophecy Did Jesus and his followers get it wrong Did they miscalculate the timing of Jesus return Or were Jesus and the authors of the New Testament anticipating something else The purpose of this book is to examine this issue by looking in detail at the New Testament texts that seem to promise that Christ is coming back right away It will provide a possible answer to these questions in light of the tension between the promised imminent return of Christ and its delay

Evangelical Hermeneutics Robert L. Thomas, 2002 A thorough and competent examination of divergent hermeneutical methods widely used by evangelicals today
