 Timely Stories** Charles J. Scott,2021-04-07 Classic Book Reviews and Timely Stories By Charles J Scott We all want to learn
 from perceptive intelligent and experienced individuals we admire so that we may live better lives ourselves Obviously we
 need good guidance and a positive influence on our thought processes for this purpose That s why we read great books from
 knowledgeable sources and listen to our role models Because he likes to reflect on the books he has read and incorporate the
 favorable impressions they have made on him into his daily activities author Charles Scott developed the habit of writing a
 series of book reviews and short stories to commemorate the occasion The reviews have provided him with a diving platform
 or a jumping off point of departure for making sound decisions and evaluating his actions Consequently the resulting stories
 represent a celebration of the life and times in which he has lived They are meant to celebrate humanity in an otherwise
