McDonald,2013-09-17

Despite the insatiable public appetite for all things Star Wars the more analytical side of the saga is all too often ignored This book offers a new way of seeing George Lucas space opera particularly the prequel trilogy a series never given a fair chance because of constant comparisons to the iconic originals In the classic style of Joseph Campbell the trilogy is viewed through the lens of myth and metaphor revealing a body of work not only worthy of scholarly study but perhaps destined to find therein its home A wide variety of philosophical and mythological themes are presented and expounded upon drawing from a rich source of scholars thinkers writers and poets from East and West alike Heretical or not the Star Wars prequels are a surprisingly rich source of insight into the saga as well as the human drama as a whole **Star Wars: Essays Exploring a**

Galaxy Far, Far Away Emily Strand,Amy H. Sturgis,2023-09-12 Star Wars is a global phenomenon that in 2022 celebrated its 45th year of transmedia storytelling and it has never been more successful than it is today More Star Wars works than ever are currently available or in simultaneous development including live action and animated series novels comics and merchandise as well as the feature films for which the franchise is best known Star Wars fandom is worldwide time tested and growing academic interest in the franchise both inside and outside of the classroom is high This accessible and multidisciplinary anthology covers topics across the full history of the franchise With a range of essays by authors whose disciplines run from culture and religious studies to film feminism and philology *Star Wars Essays Exploring a Galaxy Far Far Away* speaks to academics in the field students in the classroom and anyone looking to broaden their understanding and deepen their appreciation for Star Wars **The Gospel according to Star Wars, Second Edition** John C.

McDowell,2017-09-07 In a new and updated version of this best selling book John McDowell explores the many spiritual themes that weave throughout the Star Wars films From the Force to the dark side the issues discussed in the films have a moral and spiritual complexity that if paid attention to can help us better understand our place in the world and our relation to others and to God George Lucas the creator of Star Wars did not intend for his films to be mere entertainment McDowell argues Rather he hoped his films would be used as a vehicle for moral education This new version has been thoroughly revised to include discussion of *The Force Awakens* and other new developments in the Star Wars universe *Star Wars and the Hero's Journey* Valerie Estelle Frankel,2021-03-29 The original Star Wars trilogy famously follows Joseph Campbell's model for the hero's journey making Luke Skywalker's story the new hero quest for a modern age With the nine plus film

saga complete however new story patterns have emerged as the hero's journey is imagined over and over for characters of different ages genders and backgrounds The prequels offer the plot arc of the villain's journey through Anakin Leia and Padme while damsels in the men's story break out to undergo their own ordeals The heroine's journey is exemplified by Rey and Jyn Obi Wan Yoda and Vader must accept the loss of power and fade into spirit guardians perpetuating the lifecycle By the sequel era the original trio become mentors to the younger generation and finally must do the same Meanwhile the Mandalorian explores a different form of the quest as he transforms from immature warrior to patriarch This book tracks the journeys of over 20 characters throughout the franchise Star Wars Meets the Eras of Feminism Valerie Estelle

Frankel,2020-07-07 Star Wars defined popular big screen science fiction Still what many viewers best recall is assertive hilarious Leia the diminutive princess with a giant blaster who had to save them all As the 1977 film arrived women were marching for equality and demanding equal pay with few onscreen role models Leia echoed their struggle and showed them what they could be Two more films joined in though by the early eighties post feminism was pushing back and shoving the tough heroine into her pornographic gold bikini After a sixteen year gap the prequels catered to a far different audience Queen Amidala's decoy power originates in how dominated she is by her massive royal gowns This obsession with fashion but also costuming as a girly superpower fits well with the heroines of the time The third wavers filled the screens with glamorous mighty girls strong but not too strong like the idealistic teen Ahsoka of Clone Wars However space colonialism abusive romance and sacrifice left these characters a work in progress Finally the sequel era has introduced many more women to fill the galaxy Rey Jyn Rose Maz Qi'ra Val L3 37 Captain Phasma Admiral Holdo and of course General Leia Making women the central warriors and leaders while keeping them powerful and nonsexualized emphasizes that they can share in the franchise instead of supporting male Jedi There's also more diversity though it's still imperfect Hera and Sabine on the spinoff cartoon Rebels and the many girls in the new franchise Forces of Destiny round out the era along with toys picture books and other hallmarks of a new more feminist fourth wave for the franchise *Attack of the Clones Trivia Challenge*

Ben Harper,Benjamin Harper,2002-10-08 An in depth trivia challenge about the Star Wars universe **Attack of the Clones** David West Reynolds,2002 Attack of the Clones is the second chapter in the Star Wars trilogy This visual dictionary contains annotated photographs and stills recreating all the characters creatures droids and equipment from the film

Children's Book Review Index Gary C. Tarbert,2003 Children's Books in Print, 2007 ,2006 **American Book Publishing Record** ,2002 **Book Review Index** ,2003 Every 3rd issue is a quarterly cumulation *Library Journal* Melvil Dewey,Richard Rogers Bowker,L. Pylodet,Charles Ammi Cutter,Bertine Emma Weston,Karl Brown,Helen E. Wessells,2005 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately The Empire Triumphant Kevin J. Wetmore (Jr.),2005-10-11 The first topic of this examination is how the films use the language of colonialism to emphasize the

idea of imperialism Next the author looks at how Asian influences provide a subtext for much of the action Then turns to the representation of people of color in the Star Wars universe and how other ethnicities are represented overall Provided by publisher **Dictionary of International Biography** ,2007 A biographical record of contemporary achievement together with a key to the location of the original biographical notes **The British National Bibliography** Arthur James Wells,2006 *Books in Print Supplement* ,2002 Encyclopedia of Science, Technology, and Ethics Carl Mitcham,2005 This encyclopedia considers both the professional ethics of science and technology and the social ethical and political issues raised by science and technology **Forthcoming Books** Rose Arny,2002
