The Waiting Father Sermons On The Parables Of Jesus:

The Waiting Father Helmut Thielicke, 2015-03-26 The Waiting Father is a collection of sermons by Helmut Thielicke the great German preacher and theologian which offer deep insights into the spiritual message of Jesus's fifteen major parables. They were originally preached in Michaelskirche Hamburg in the mid 1950s. Thielicke approaches the parables in novel ways. In treating the prodigal son for instance he concentrates more on the loving father than the rebellious son, emphasising the centrality of forgiveness. Similarly when discussing the pharisee and the publican he shows that the publican is guilty of spiritual pride and arrogance, drawing attention to the dangers for the faithful. Both among expositions of the parables and among books for preachers The Waiting Father stands in a class of its own. Great scholars are usually poor preachers and great scholars are rarely good preachers but Thielicke manages to combine distinguished scholarship with fine preaching.

The Waiting Father Helmut Thielicke, 1966 **The Parables of Jesus** Arland J. Hultgren, 2000-06-22 Outlines the parables of Jesus and discusses how each of the parables can be taught and preached **The Waiting Father. Sermons on the Parables of Jesus ... Translated with an Introduction by John W. Doberstein** Helmut Thielicke, John Walter DOBERSTEIN, 1959 **The Waiting Father** Helmut Thielicke, 1981-01-01 Illustrates the universality and contemporary relevance of the messages conveyed in familiar and lesser known parables.

Interpreting the Parables Craig L. Blomberg, 2012-07-16 Craig Blomberg surveys the contemporary critical approaches to the parables including those that have emerged in the twenty years since the first edition. This widely used text has taken a minority perspective and made it mainstream with Blomberg ably defending a limited allegorical approach and offering brief interpretations of all the major parables. **The Parables** Douglas D. Webster, 2021-03-30 A comprehensive study of Jesus's parables that emphasizes personal reflection and application. Jesus's parables used familiar situations to convey deep spiritual truths in ways that are provocative and subversive of the status quo. Prayerfulness was pictured by a persistent widow. The joy of salvation in the homecoming of a lost son. Love of neighbor by a marginalized Samaritan. If we're not careful we can easily miss details in the parables that reveal their subtle meanings as well as their contemporary relevance. Drawing on scholarship on the parables as well as theological, pastoral and practical insights Douglas Webster guides the reader through each of Jesus's parables pointing out the important nuances that allow us to understand them and be transformed by them. Reflection questions at the end of each chapter can be used for personal or group study and an appendix for pastors provides guidance for preaching the parables. Pastors, Bible teachers and serious students of Scripture will find this tour through Jesus's parabolic teaching to be a feast for both the mind and the soul. The Reading and Preaching of the Scriptures in the Worship of the Christian Church, Volume 6 Hughes Oliphant Old, 2007 The Reading and Preaching of the Scriptures in the Worship of the Christian Church is a multivolume study by Hughes Oliphant Old that canvasses the history of preaching from the words of Moses at Mount Sinai through modern times. In Volume 1 The Biblical Period Old begins his survey by discussing the roots of the Christian ministry.

of the Word in the worship of Israel He then examines the preaching of Christ and the Apostles Finally Old looks at the development and practice of Christian preaching in the second and third centuries concluding with the ministry of Origen

The God Who Trusts Wm. Curtis Holtzen, 2019-12-10 The Bible resounds with affirmations that God is faithful and trustworthy But might he also exhibit faith and trust Wm Curtis Holtzen contends that because God is a being of relational love and exists in relationship with humans then God is a God who trusts Holtzen argues that understanding the relationship between divine trust and human faith can give us a fuller truer picture of who God is and who we are **The Return to the Father.
