The Wider Worlds Of Jim Henson The Wider Worlds Of Jim Henson:

The Wider Worlds of Jim Henson Jennifer C. Garlen, Anissa M. Graham, 2012-11-30 Jim Henson was the creative force behind a huge catalog of television series films specials and other productions even excepting the Muppets This collection of essays delves into the rest of Henson s body of work including projects developed during his lifetime and those that represent his legacy Covered here are Fraggles Rock The Dark Crystal Labyrinth The Jim Henson Hour Dinosaurs Farscape and more Henson s influence on both audiences and later productions remains palpable on screens large and small as this collection attests

The Fairy Tales of Jim Henson Andrea Wright, 2025-09-02 The Fairy Tales of Jim Henson The best place by the fire is the first book to specifically consider Henson best known for the immensely popular The Muppet Show as an important creator of screen fairy tales In a chronological overview of Henson s career from the late 1950s to his death in 1990 it explores key themes artistic practices and innovations that make his contribution to the genre unique Drawing upon a range of fairy tale scholarship it also situates Henson s work within the wider context of the genre specifically its conventions themes and inherent intertextuality

The Worlds of Farscape Sherry Ginn, Donald E. Palumbo, C.W. Sullivan III, 2013-08-20 Reversing a common science fiction cliché Farscape follows the adventures of the human astronaut John Crichton after he is shot through a wormhole into another part of the universe Here Crichton is the only human being going from being a member of the most intelligent species on our planet to being frequently considered mentally deficient by the beings he encounters in his new environment John Crichton befriends a group of beings from various species attempting to escape from imprisonment aboard a living spaceship The series which broke many of the so called rules of science fiction follows Crichton s attempts to survive in worlds that are often hostile to him and his friends Their adventures center on each being s attempt to find a way home The essays in this volume explore themes running throughout the series such as good and evil love and sex and what it means to be a hero as well as the various characters populating the series including the villains and even the ship itself

Fan CULTure Kristin M. Barton, Jonathan Malcolm Lampley, 2013-11-08 Fan CULTure explores how present day fans interact with the films television shows books and pop culture artifacts they love From creating original works of fanfiction to influencing the content of major primetime series through social media fans are no longer passive consumers They have evolved into active participants in creating and shaping these works The all new essays in this collection provide in depth analyses of how fans interact with such popular franchises as Harry Potter Lost Supernatural Lord of the Rings and Joss Whedon s Serenity and examines as well topics not based on media like fans of LEGO building blocks Disneyland and NFL quarterback Tim Tebow

Jim Henson Deanne Durrett, 2002 Discusses the life of Jim Henson creator of the Muppets including his early life and influences the development of the Muppets and their increasing success his early death and his legacy

How to Be Everything Emilie Wapnick, 2017-05-02 What do you want to be when you grow up It s a familiar question we re all asked as kids While seemingly harmless the question has unintended consequences It can make

you feel like you need to choose one job one passion one thing to be about Guess what You don't Having a lot of different interests projects and curiosities doesn't make you a jack of all trades master of none Your endless curiosity doesn't mean you are broken or flaky What you are is a multipotentialite someone with many interests and creative pursuits And that is actually your biggest strength How to Be Everything helps you channel your diverse passions and skills to work for you Based on her popular TED talk Why some of us don't have one true calling Emilie Wapnick flips the script on conventional career advice Instead of suggesting that you specialize choose a niche or accumulate 10 000 hours of practice in a single area Wapnick provides a practical framework for building a sustainable life around ALL of your passions You'll discover Why your multipotentiality is your biggest strength especially in today's uncertain job market How to make a living and structure your work if you have many skills and interests How to focus on multiple projects and make progress on all of them How to handle common insecurities such as the fear of not being the best the guilt associated with losing interest in something you used to love and the challenge of explaining what you do to others Not fitting neatly into a box can be a beautiful thing How to Be Everything teaches you how to design a life at any age and stage of your career that allows you to be fully you and find the kind of work you'll love
