## **The Wind Is Not A River:**

**The Wind is Not a River** Brian Payton, 2013-12-20 A gripping tale of survival and an epic love story in which a husband and wife separated by the only battle of World War II to take place on American soil fight to reunite in Alaska's starkly beautiful Aleutian Islands. Following the death of his younger brother in Europe, journalist John Easley is determined to find meaning in his loss, to document some part of the growing war that claimed his own flesh and blood. Leaving behind his beloved wife Helen after an argument they both regret, he heads north from Seattle to investigate the Japanese invasion of Alaska's Aleutian Islands, a story censored by the U.S. government. While John is accompanying a crew on a bombing run, his plane is shot down over the island of Attu. He survives only to find himself exposed to a harsh and unforgiving wilderness known as the Birthplace of Winds. There, John must battle the elements, starvation, and his own remorse while evading discovery by the Japanese. Alone in their home, three thousand miles to the south, Helen struggles with the burden of her husband's disappearance. Caught in extraordinary circumstances in this new world of the missing, she is forced to reimagine who she is and what she is capable of doing. Somehow, she must find John and bring him home, a quest that takes her into the farthest reaches of the war, beyond the safety of everything she knows. A powerful, richly atmospheric story of life and death, commitment, and sacrifice, **The Wind Is Not a River** illuminates the fragility of life and the fierce power of love.

**The Wind Is Not a River** Brian Payton, 2014-01-07 Brian Payton's **The Wind Is Not a River** is a gripping tale of survival and an epic love story set during the only World War II battle on American soil. Somehow, she must find John and bring him home, a quest that takes her into the farthest reaches of the war, beyond the safety of everything she knows. A haunting love story wrapped in an engaging and unsettling history lesson, along the way, readers will learn not just about a fascinating and largely forgotten slice of American history but what it felt like to live through it. USA Today: Payton crafts a beautiful, heart-inspiring and heart-wrenching tale of love, forgiveness, loneliness, the strength of the human spirit, and the power of faith in God and family. Grieser, 1978 As the only ones not captured when the Japanese take over their Aleutian island village during World War II, two children must survive on their own.

**Wheel of the Winds** M. J. Engh, 2014-04-01 This unusual, enjoyable second novel by Engh Arslan is a charming picaresque adventure set on another planet. To this unnamed planet comes the

odd looking man known as the Exile The Warden Lethgro has captured the Exile after his escape from Sollet Castle and now holds him prisoner on the small sailing ship Mouse But when an inspector of the Council of Beng is about to board the Mouse Captain Repnomar seeing that her friend the Warden does not wish to surrender the Exile to the Council cuts and runs And so begins for Lethgro Repnomar and the Exile who we have begun to suspect is an Earthman an around the world journey over sea and land through strange places previously unseen by civilized eye Engh tells the story in a 19th century prose style For as he said they did not know when they would come to water again and Repnomar thought this so prudent that she filled the little bailer that dangled always at her belt This device is appropriate to the level of civilization on this planet which resembles life here a century ago Publishers Weekly      Proceedings at the ... Army. Corps of Engineers,1874      **Before the Storm** Fredericka Martin,2019-02-18 An account of the struggles and oppression of the Pribilof Aleuts of Alaska written by a woman who became their passionate advocate From June of 1941 through the following summer Fredericka Martin lived with her husband Dr Samuel Berenberg on remote St Paul Island in Alaska During that time Martin delved into the complex history of the Unangan people and Before the Storm draws from her personal accounts of that year and her research to present a fascinating portrait of a time and a people facing radical change A government ordered evacuation of all Aleuts from the island in the face of World War II which Martin recounts in her journal proved but the first step in a long struggle by native peoples to gain independence and as editor Raymond L Hudson explains Martin came to play a significant role in the effort Particularly because so few books about the Pribilofs have focused on the people of the islands Before the Storm offers an especially welcome perspective to our understanding of the unusual history of the Aleuts there Alaska Journal of Anthropology      **The Persian Wars** Herodotus,2023-11-19 In The Persian Wars Herodotus often dubbed the Father of History intricately weaves narratives detailing the conflicts between the Greek city states and the expansive Persian Empire during the 5th century BCE Written in a captivating prose that blends historical account with rich storytelling Herodotus employs a method that combines ethnography personal anecdote and critical inquiry effectively capturing the complexity of human motivations behind the warfare The text not only serves as a chronicle of epic battles such as those at Marathon and Thermopylae but also reflects on cultural exchanges providing insights into the contrasting worlds of Persia and Greece Its contextual significance lies in the exploration of democracy freedom and the human spirit in the face of tyranny making it a foundational work in the field of historiography Herodotus was born in Halicarnassus around 484 BCE and traveled widely through the known world gathering stories that would later inform his writing His experiences with diverse cultures and political systems engendered a unique perspective that allowed him to portray not merely events but the human experience underpinning them This empirical pursuit of understanding the past

characterized by a commitment to the verifiability of accounts was groundbreaking for his time laying the essential groundwork for future historians For contemporary readers The Persian Wars remains an indispensable exploration of conflict and cultural identity offering profound insights not only into the historical events of the era but also into the universal themes of courage power and resilience Whether approached as a historical document or as a work of literary art this text invites readers to reflect on the enduring legacy of these ancient struggles making it a vital addition to the library of anyone interested in history or literature
