The Wisdom Of Wimber As I See It:

The Wisdom of Wimber Marty Boller, 2014-10-19 At a church leadership conference in July 1991 Vineyard Christian Fellowship founder John Wimber taught on ten concepts he called the genetic code for churches looking to become God worshiping Jesus centered and Spirit directed communities set apart for kingdom purposes In this book author Marty Boller takes these ten concepts and discusses in his own commentary the implications of them for the twenty first century A Handbook of Contemporary Theology David L. Smith, 2001-02-01 This introduction to contemporary theology looks at the origin and history of each movement their major figures and doctrinal emphases The author evaluates the teachings and practices of each system in light of biblical Christianity *The Intimidation Factor* Charles Redfern, 2020-08-05 What do we do when a formerly vibrant back to the Bible movement drifts into a toxic swamp rimmed with attack dogs Charles Redfern faces that grim question squarely He discovers that American evangelical Christianity which surged in the mid twentieth century and offered a more genteel intellectually vigorous alternative to caustic fundamentalism fell into the hands of intimidators and backbiters It was a short journey from there to the movement s partisan sell out and the abandonment of time honored creeds Redfern describes his own story in which he came into the faith at the movement s height in the 1970s then views evangelicalism s decay across its spectrum He doesn t spare conflict adverse moderates in the process But he also discovers hope A winsome remnant survives and its wooing the back to the Bible people back to the Bible bearing the fruits of the Holy Spirit as they do so **A Dramatic Pentecostal/Charismatic Anti-Theodicy** Stephen Torr, 2013-11-08 The response of Pentecostal and Charismatic churches to those suffering in their midst has generally been to seek the intervention of the Holy Spirit to bring about healing and transformation or perhaps education But what happens when the suffering continues it appears to be innocent and meaningless and God seems to be absent This study drawing on Kevin Vanhoozer s dramatic approach to theology argues that the way God calls us to perform as we seek to communicate with him amidst such situations is to lament and to do so with the aid of the Holy Spirit Rather than offering such an approach purely in opposition to the more triumphalistic responses common in Pentecostal Charismatic theology and practice this book seeks to show how a performance of lament is conducive to such theology and practice while acting as a much needed corrective to certain aspects of it What is provided here is therefore relevant reading for both scholars and pastors alike particularly of Pentecostal Charismatic church tradition who grapple with the realities of suffering and the questions such realities produce Never Trust a Leader Without a Limp Glenn Schroder, 2020-01-21 A Unique Life a Gifted Calling a Lasting Legacy John Wimber is not only revered as the founder of the Vineyard movement but is renowned for his unique ability to capture truth in pithy little phrases This inspirational collection of memorable remarks each placed in its historical context offers astute observations on essential principles while also capturing and preserving the story and identity of a miraculous work of God For those who witnessed the miracle firsthand and for an entire generation of young leaders who never met John or

experienced his ministry here is a unique restatement of the foundational tenets that launched an international community of more than twenty four hundred churches in more than one hundred countries a lasting legacy of spiritual insights that changed lives then and can change your life today *Evangelism and the Openness of God* Vaughn W. Baker, 2012-12-18

Argues that a dynamic concept of God as articulated in open theism better serves the evangelistic mission of the church than does conventional theology Back **Breakthrough Faith** Larry Sparks, 2014-10-21 We all experience the impossibilities of life just like the four men in the Bible who sought Jesus healing touch for their paralyzed friend The question is how will you respond You have two options You can accept your circumstances as God s will and simply give up or you can break through and receive everything God has waiting for you Breakthrough Faith will help you discover You have an enemy all circumstances are not God s will God is both willing and able to miraculously move in your life You already possess breakthrough faith you just need to activate it The mind matters what you think about God determines what you experience Intimacy with the Father ushers you into a supernatural lifestyle and greater works Practical keys to activating breakthrough faith in your life Declaration Testimony and Presence The paralytic s four friends didn t give up and broke through the roof to get to Jesus and experienced the miraculous You can break through too Get ready to activate the faith God has given you and break through every impossibility that comes against your life Transatlantic Charismatic Renewal, c.1950-2000, 2021-07-05 In *Transatlantic Charismatic Renewal c 1950 2000* Andrew Atherstone Mark Hutchinson and John Maiden bring together leading researchers to examine one of the globally most important religious movements of the twentieth century Various referred to as the charismatic renewal or revival it was a key Christian response to globalization modernity and secularization Unlike other accounts which focus either on denominational pentecostalism or charismatic phenomena outside the West this volume describes transatlantic Christianity drawing deeply on its pneumatic roots to bring about renewal New research in archives and overlooked journals illuminate key figures from David du Plessis to John Wimber providing insights which challenge the standard interpretations of the charismatic movement s origins and influence **Transforming Renewal** Andy Lord, 2015-01-12 Pentecostal and charismatic renewal movements have seen great growth over the last century and have engaged with many Christian traditions Yet there are signs that all is not well and there is a need to develop theologies of renewal that engage with practice and across the traditions if the movements are to continue to grow In particular this book seeks an ecumenical engagement between David Watson and Thomas Merton leaders in the charismatic and monastic renewal movements The aim is to reflect on the theological roots of these renewal movements through a study of particular people who lived them in practice and sought to help others understand how the triune God was at work This is done against the wider background of contemporary renewal theology to develop constructive proposals for renewal theology in the future Receptive ecumenism provides the method for bringing the different voices into conversation in ways that also point forward in approaches to ecumenical dialogue It is thus a study relevant to those seeking new ways in

theology those involved in renewal and ecumenical movements students of Thomas Merton and all who seek to better understand the Christian renewal movements that have swept the world

James (Understanding the Bible Commentary Series) Peter H. Davids, 2011-08-01 The Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard Pastors teachers and lay people alike will cherish the truth found in this commentary series

Rites in the Spirit Daniel E. Albrecht, 1999-12-01 Rites in the Spirit is a book about spirituality ritual and Pentecostal experience The volume presents a careful and innovative study of Pentecostal practices and experiences Focusing on the very important but often intriguing worship rites that express the spirituality of Pentecostals Albrecht discovers that these Pentecostal charismatic rites and their attending sensibilities also function to shape nurture authenticate and even transform the spiritual lives of these Christians Rites in the Spirit seeks to guide Pentecostals and the charismatically inclined toward self interpretation and a more nuanced conception of and a deeper appreciation for their Pentecostal experience The volume also aims to make a sometimes exotic spirituality more accessible and understandable to those who have had limited contact with Pentecostal charismatic forms and expressions

The Revival Study Bible William (Winkie) Pratney, Tamara S. Winslow, Steve Hill, 2010-08-12 The Revival Study Bible takes a close look at revivals that draw men to God's work in breathing new life into the Church This unique Bible covers rich Christian history spanning over 2 000 years of God's acts that center around revival missions and evangelism It also gives inspiring accounts of supernatural miraculous and prevailing acts of the Lord Emphasizing passion and action and not just data this dynamic Bible gives an international flavor drawn from active tested and fruitful ministries involved in ongoing awakening

Challenging to change Pieter J. Lalleman, 2020-09-18 On 13 May 2009 Dr Nigel G Wright celebrated his sixtieth birthday For this occasion friends and colleagues presented him with a Festschrift which reflects his career as a radical baptist leader and theologian Over the past decades he has played a leading role in the Baptist movement in Britain and worldwide The contributors to Challenging to change dialogues with a radical baptist theologian interact with aspects of Wright's activities and writings so far The spelling of baptist with a small b in the subtitle of this book reflects Wright's own usage baptist refers to the broader tradition of believers churches stemming from the radical wing of the European Reformation to which not only Baptist churches belong but also Anabaptist Brethren Pentecostals Restorationists and others This book makes a valuable contribution to the thinking of all baptists about issues such as ministry Church and state church planting and evangelical identity In particular pastors other church leaders and students will profit hugely from it and they will be encouraged to pick up Nigel Wright's own books

Defining Moments John Wesley Bill Johnson, Jennifer Miskov, 2019-04-09 Each individual Defining Moments ebook is a fascinating look at the remarkable ways in which God has used an ordinary person to change history But it is about more than history alone it illuminates the present and unveils the future Prophetic in nature it reveals how God wants to work in each of our lives to fulfill His purposes today tomorrow and in the years to come The stories in the Defining Moments collection of God encounters carry a prophetic anointing for all who have ears to hear Author Bill Johnson highlights the significant traits and contributions of many well known revival leaders including John Wesley Charles Finney Dwight L Moody Maria Woodworth Etter Carrie Judd Montgomery Smith Wigglesworth John G Lake Evan Roberts Rees Howells Aimee Semple McPherson Kathryn Kuhlman Randy Clark and Heidi Baker He explains the impact these leaders can have on us today as we respond to the life changing truths revealed through their life stories There is power in knowing the testimonies of men and women who experienced God in a defining moment and said yes to His unique call on their lives It is a power that inspires us to hunger for God in such a way that we too will have an encounter with Him that launches us into the world of the impossible enabling us to fulfill a greater measure of our destiny Read this ebook with a sense of readiness and watch what happens

Hippie Voices to God's Heart David L. Ream, 2024-01-24 Here is a phenomenological inquiry into the fruitful ministry of Calvary Chapel Costa Mesa s Sunday Morning Worship Service The purpose was to uncover and explicate the quintessential elements of worship leading from the life experiences of those worship leaders who shared the platform with Pastor Chuck Smith known as the father of the Jesus Movement The book examines Calvary Chapel s inauspicious beginnings in a senior citizen trailer park recreation center as it explores key elements of Kay and Chuck Smith s ministry The church and the couple combined in 1965 By 1968 the church and the Smiths became a spiritual home replete with a spiritual mama and papa ministering to hippies seeking everlasting love and eternal peace The fruitfulness of Calvary Chapel s ministry is its ability to reproduce maturing Christians that reproduce maturing Christians This replication occurred thousands of times as the movement blossomed and spread to new churches and new ministries across the United States and globally The phenomenon spawned a megachurch movement and birthed the modern Christian worship music industry The hippies were alternately loathed and loved in their era Perhaps the hippies most enduring and endearing contributions to twenty first century culture are traced to the Jesus movement
