The Way Forward Matthew LeRoy, Jeremy Summers, 2007 A burning heart A humble monk A former slave turned founding bishop Abolitionists and activists Preachers professors reformers and revolutionaries Through these set apart voices we witness the journey of the holiness message through the ages and its timeless promise of God's far reaching grace and transforming love And these voices have something to say to us today They speak in tones of hope and expectation resounding with the promise of perfected love They offer the assurance of restoration and reconciliation with the Father by way of the Son and the Holy Spirit They challenge us to embrace humility submitting ourselves to the unrivaled reign of God Now more than ever the world needs to experience this grace that enables holiness *The Way Forward* presents these voices from our past John Wesley Thomas a Kempis Phoebe Palmer and more with introductions from scholars and pastors of today

Organix Bob Whitesel, 2011-11-01 Does your leadership style fit new ways of doing church leadership that is organic and elastic and that finds ways to seize God given opportunities Looking back and drawing on the ancient Christian tradition Bob Whitesel describes seven traits for successful leadership which he characterizes by seven symbols O the Greek symbol theta the first letter of the Greek word theos stresses that God is the source of the burden for others and provides the power to help them Rx the medical prescription symbol an emphasis on addressing the spiritual and physical health of leaders G a stylized G for graffiti the edgy colorful and artful collages that help define contemporary organizations A inspired by the recycle symbol the idea of recycling places experiences and people rather than discarding them N emerging networks that connect people more quickly efficiently precisely and continuously I an emphasis on incarnation a going in the flesh to serve others rather than sending surrogates X the Jerusalem cross with a number in each quadrant four types of measurement observed in Jerusalem Acts 2:42-47 which at their core point to Christ's work on the cross Taken together these symbols spell out the word organix and represent a fundamentally new way to think about your church and how you can best lead

The Tablet, 1983 The international Catholic weekly The Chase Jerry Bridges, Jen Howver, 2003 Explains what holiness is and is not and shows how we can make it a part of our daily lives **Holy in Christ** Andrew Murray, Classic Domain Publishing, 2014-09-09 Holiness is a word that many a Christian has never studied or understood What multitudes of believing Christians there are who have none but the very vaguest thoughts of what holiness is And of those who are seeking after it how many who have hardly learnt what it is to come to God's Word and to God Himself for the teaching that can alone reveal this part of the mystery of Christ and of God To many holiness has simply been a general expression for the Christian life in its more earnest form without much thought of what the term really means My object has been to discover in what sense God uses the word that so it may mean to us what it means to Him I have sought to trace the word through some of the most important passages of Holy Scripture where it occurs there to learn what God's holiness is what ours is to be and what the way by which we attain it I have been specially anxious to point out how many and various the elements are that go to

make up true holiness as the Divine expression of the Christian life in all its fulness and perfection I have at the same time striven continually to keep in mind the wonderful unity and simplicity there is in it as centred in the person of Jesus As I proceeded in my work I felt ever more deeply how high the task was I had undertaken in offering to guide others even into the outer courts of the Holy Place of the Most High And yet the very difficulty of the task convinced me of how needful it was Some have heard that the entrance to the life of holiness is often but a step They have heard of or seen believers who could tell of the blessed change that has come over their lives since they found the wonderful secret of holiness by faith And now they are seeking for this secret They cannot understand that the secret comes to those who seek it not but only seek Jesus They might fain have a book in which all they need to know of Holiness and the way to it is gathered into a few simple lessons easy to learn to remember and to practise This they will not find There is such a thing as a Pentecost still to the disciples of Jesus but it comes to him who has forsaken all to follow Jesus only and in following fully has allowed the Master to reprove and instruct him There are often very blessed revelations of Christ as a Saviour from sin both in the secret chamber and in the meetings of the saints but these are given to those for whom they have been prepared and who have been prepared to receive Let all learn to trust in Jesus and rejoice in Him even though their experience be not what they would wish He will make us holy But whether we have entered the blessed life of faith in Jesus as our sanctification or are still longing for it from afar we all need one thing the simple believing and obedient acceptance of each word that our God has spoken It has been my earnest desire that I might be a helper of the faith of my brethren in seeking to trace with them the wondrous revelation of God's Holiness through the ages as recorded in His blessed Word It has been my continual prayer that God might use what is written to increase in His children the conviction that we must be holy the knowledge of how we are to be holy the joy that we may be holy the faith that we can be holy And may He stir us all to cry day and night to Him for a visitation of the Spirit and the Power of Holiness upon all His people that the name of Christian and of saint may be synonymous and every believer be a vessel made holy and meet for the Master's use Andrew Murray Wellington 16th November 1887
