The Wit Of Martin Luther Facets:

The Wit of Martin Luther Eric W. Gritsch, 2006 This book provides an interesting and entertaining introduction to Martin Luther's thought. It shows how Luther enjoyed using humour in his interpretation of the Bible, his pastoral relationships and his encounters with death. It reveals that humour in the face of mortality is an indication of human freedom, a way of making life a divine comedy. It brings out the deeper religious meaning behind Luther's theological thought. **Martin Luther's Basic Theological Writings** Martin Luther, 2012 Martin Luther's Basic Theological Writings has become the gold standard for use in seminary and college environments. It not only offers all of Luther's most influential, noted and important writings in the modern translations but also includes excerpts of his sermons and letters that shed light on Luther's own religious and theological development. The volume takes the reader straight to Luther, the man, to his controversial Reformation insights to his strongest convictions about God and Scripture and the life of the church and most valuably to his theology, a still exciting encounter with the meaning of Jesus Christ for each age. **The Least of These** Eric R. Severson, 2007-06-01 This collection of primary documents from Christian history spans the second to eighteenth centuries. Irenaeus to George Whitefield. Severson has chosen writings that all deal with the interpretation of the Parable of the Sheep and Goats, Matthew 25:31-46.

Toxic Spirituality Eric W. Gritsch, Eric Gritsch, a renowned historian, a pastor and a theologian for half a century, offers Christianity a reality check, exposing four historical movements that have weakened and abused the core of the Christian tradition. These movements represent wayward views on the relationships between Christians and Jews, Between the authority of Scripture and tradition, Between the church and worldly power and between faith and morals. *Humor Us* Donald Capps, 2016-10-21 This book addresses the fact that Americans tend to live under a considerable amount of stress, tension and anxiety and suggests that humor can be helpful in alleviating their distress. It posits that humor is a useful placebo in this regard, cites studies that show that humor moderates life stress, considers the relationship of religion and humor, especially as means to alleviate anxiety, proposes that Jesus had a sense of humor, suggests that his parable of the Laborers in the Vineyard has humorous implications for the relief of occupational stress, explores the relationship of gossip and humor and suggests that Jesus and his disciples were a joking community. It concludes that Jesus viewed the kingdom of God as a worry-free existence.

God in History, Or, Facts Illustrative of the Presence & Providence of God in the Affairs of Men John Cumming, 1852 The Precious and Sacred Writings of Martin Luther, the Hero of the Reformation, the Greatest of the Teutonic Church Fathers, and the Father of Protestant Church Literature.
