Anderson, 2017-04 All the Dogs I've Loved Before Peggy C Insula, 2019-07-25 Not all the dogs I've loved in my long life were men This book is the color version of a true sequential account of my relationships with the dogs who have filled my life with love joy laughter and occasional frustration and grief From Kim the stunning black chow who allowed me to crawl over him when I was a toddler to my current corgi mix Chico each dog has had an important place in my life and in my heart Unlike most books about dogs however not every account here ends happily I hope that readers can experience the varied emotions with me along this journey I also hope you can forgive my sometimes harsh decisions regarding my dogs when in times of crisis my farm girl mentality won the battle with my less practical but more humane side One of my life goals is to make amends to dogs wherever and whenever I can They have given me much more than I have given them Zen Dog Judith Adler, 2001 Find enlightenment at the end of a leash with this delightful look at the Buddha nature of our canine companions An afternoon nap in a patch of sunlight a meandering walk in the woods a full body shake to greet another soul No other creature displays the joy of living in the moment quite like a dog or exhibits the unquestioning devotion honesty and sheer selflessness that is the essence of the Buddha nature Zen Dog celebrates this great truth bringing koans and canines together for the first time Inspiring quotations from the Buddha Lao Tzu and other Zen masters are paired with charming black and white photographs of dogs that illuminate the message A dog wagging its tail in the breeze for example provides a surprisingly apt answer to the age old question What is the sound of one hand clapping And the image of a family pet
