in any way The Veganism Movement will heal mankind thus healing the world as well The modern thinking Vegan is ready to meet and overcome any non Vegan resistance by learning every thing connected to the purpose of Veganism There is a spiritual side of Veganism to consider and The Vegan Bible is a great place to begin researching the real history of our Mother earth and Father God Most people never knew that the God of The Holy Bible is Vegan This one little fact changes the face of society from innocent meat eaters to a mob of evil dead flesh worshipers especially the ones that refuse to accept the truth of our Vegan world Don t be one of them The right way is always the best way to live and enjoy the good health and clean conscious that the Vegan way of life represents Now you will have all of the Vegan Holy Scriptures at your fingertips to rise over anyone whom decides to support their meat eating habits by miss quoting The Holy Scriptures The Vegan Bible proves that God and Jesus Christ are Vegans as well as some of the Holiest Prophets Was Cain really the cold hearted monster we were taught he was or was he just an angry Vegan unwilling to control his temper And who is this Lord God character that keeps on trying to ruin everyone s lives Was Jesus Christ targeted by the religious leaders of His time for taking a firm stand against animal sacrifices Did He offer his life as a one time human sacrifice to try and save them By threatening the financial security of those selling the sacrificial animals this put a price on his head His teachings of Love were not only aimed at people but they were for all living creatures His personal sacrifice did put an end to most religiously motivated animal sacrifice in the world Before Jesus Christ there was only a blood thirsty Lord God to pay off with daily sacrifices which was for sale at the Holy Temples Now we face a world lost in a cloud of ignorance teaching our children it is normal and right to consume dead animal flesh and this has got to stop We must learn everything there is to know about Veganism so we can begin to heal our world and save our souls I have dedicated the rest of my life to the study and research of the Ancient Vegan Creation Story as it is found in every copy of the Bible that exist Proving that we have an all loving Father God that is Vegan was only the beginning of what I have discovered The magnitude of this one important fact has yet to reach the ears of the normal every day church goer The implications of the facts presented in the pages of The Vegan Bible is destined to cause some uproar with the religious institutions and their religious dogma Why was it such a crime in the dark ages to be a Christian Did the term Christian mean Vegan and were they hunted tortured burned and killed for the same reason that Jesus Christ was Have you ever seen a normal person go into a fit of rage when you tried to explain Veganism to them The Vegan Bible will help answer many religious questions and provide morally correct Vegan answers It used to be just a matter of Faith but now the Medical Science is proving our Vegan heritage Veganism is growing and it will influence the greater populations of every country I hope that you are ready for The Vegan Apocalypse Thank You [Vegan Bible](#)

THE BIBLE FOR VEGANS Mark Baker,2021-11-30 INTRODUCTION If you re looking to mix up your protein sources with plant based powerhouses look no further than Tofu as an easy to cook vegan or vegetarian option Tofu is flexible cooking wise This is because it comes in a variety of textures depending how much water is pressed out and is pretty bland Because it s relatively tasteless it takes to other flavors well without competing with them Tofu also known as bean curd is a food prepared by coagulating soy milk and then pressing the resulting curds into solid white blocks of varying softness it can be silken soft firm extra firm or super firm Beyond these broad categories there are many varieties of tofu It has a subtle flavor so it can be used in savory and sweet dishes It is often seasoned or marinated to suit the dish and its flavors and due to its spongy texture it absorbs flavors well If you ve never worked with it before cooking tofu can be daunting But once you learn a little about it it couldn t be easier to prepare tofu well Below you ll find the most delicious and easy recipes for you to cook like a pro Simple Tips for Cooking Tofu Make sure you select the right texture In grocery stores it ranges from silken to firm and extra firm Soft silken tofu would be my choice for blending into desserts or slicing into miso soup but if you re serving it as a main dish or topping it onto bowls extra firm is what you ll need It has a heartier denser texture and less water content than other types of tofu Note I prefer to buy organic tofu made without genetically modified soybeans Press it Tofu contains a lot of water and you ll want to squeeze most of it out especially if you re baking grilling or frying it Tofu presses are available in stores but having one isn t necessary You can use a stack of books or just do what I do and use your hands to press it lightly in a kitchen towel or paper towels Just make sure not to push too hard or it will crumble Spice It Up There s a reason that tofu gets flak for being bland and that s because it is Make sure you season it well You can marinate it or prepare it

using a crispy baked tofu recipe *Vegetarian Bible* Parragon Books,2008-05 Lois' Living Vegan Delights Lois E Anderson,2013-07 I did a word study on the word meat in the Bible In my Greek and Hebrew dictionary it said it referred to a meal rather than meat as we understand it From my reading of the Bible the only time people ate meat was at festivals and when they had guests In Gen 9 3 is the first time God said man could eat meat In Gen 6 3 God said that he was going to shorten man s days to 120 yrs so how was God going to do that I believe that Gen 9 3 is what God did to shorten man s days You can observe that in the following chapters that man s age dropped from 969 yrs to 120 years Daniel chapter 1 gives a great example of what just eating vegetables and drinking water will do for you It s the greatest example of Gen 1 29 in the Bible Romans 12 1 2 are the New Testaments mandate to take care of our bodies and reject what the world says is good for us to nourish our bodies Some people ask why Jesus didn t teach on what to eat The Bible says Jesus came to seek and to save that which was lost Science tells us if our body PH is acid we become sick The Standard American Diet is very acid meat especially Which causes osteoporoses In fact anything cooked will cause our PH to be acid Meat also has no fiber in it which our body needs for proper elimination We don t have strong enough digestive fluids to digest meat so it goes through our bodies through the rotting process which causes us to have odor problems When meat is cooked it has no enzymes to help in the digestion process this puts stress on the pancreas and expends a lot of energy to digest All nutrients vitamins minerals and enzymes are sensitive and destroyed by heat about 105 degrees **The Lord Christ Jesus Was a Vegan** Saba,2006-09 The world today is currently witnessing the most devastating breakdowns in the history of humanity Many of our marriages and families are broken Many of our nations and governments are also broken We as individuals are broken I sincerely doubt that there is anyone today who is not facing some type of battle either in themselves their families or in their country Our children especially seem to be under the most severe attack There are many today who don t know how to fight back They don t know where to turn or how to begin to fix the brokenness in their lives This book is about fighting back It is also about the safe resting place that can be found within the Sacred and Immaculate Hearts of Jesus and His Mother Mary The Divine Hearts are our only place of refuge in these tumultuous times in which we are living It is only within those hearts that we can find the quiet comfort that so many of us are thirsting for It is only within those hearts that we can be prepared for the battle to regain our families our nations and our churches Our Lord and His Mother have provided us with the way Beyond Faith and Love there is HOPE
