The Best VBS Workbook Ever! Lisa Brown, 2017 Enables organizers to envision and implement a VBS program customized for the local church Practical comprehensive from the ground up approach to VBS Designing a Vacation Bible School program as opposed to choosing one of the many off the shelf packages is a labor of love It considers the unique perspective of children and invests accordingly It s a home cooked meal compared to fast food It sends a message to parents that a church values children enough to identify and meet their specific needs in their community at a particular moment in time Well designed VBS programs speak to children with respect love and patience offering opportunity for authentic spiritual growth not to mention an intentional theology that is reflective of the church Finally custom designed VBS programs are a way to fully include children in the mission and ministry of the church rather than confine their unique gifts This book provides Christian educators with the tools they need to assess the needs and resources in their congregation and to craft a creative program in response to that assessment The Best VBS Workbook Ever offers direction and suggestions on theme structure logistics program activities staffing and promotion Audience Episcopal and other mainline churches looking for something more original and thoughtful than typical pre packaged VBS programs Directors of Christian Education Directors of Children s Ministry Camps and Retreat Centers FORMA Kanuga Christian Education conference eFormation network

Program Carla Williams, Warner Press, 2001-04-02 **The ABC's of VBS** Eleanor Ann Daniel, 1994 Small Town VBS Gennifer Anderson, Sonja Toews, 2012-11

What do you get when you take two moms who love children's ministries and ask them to plan the Vacation Bible School program at their church? If you asked Gennifer Anderson and Sonja Toews that question, their answer would be this book. With more than twenty years of combined experience coordinating the VBS program for their church each summer, these two moms decided to write their own VBS programs to meet the needs of their church and offer a different program to their community other than the mainstream VBS programs that every other church in their town was offering. The result of their efforts is *Small Town VBS*. This book offers you three programs for less than the price of one manual for most other programs. Buy one book and be set for three years. Each program contains detailed information about the opening program, crafts, games, food, and skit scripts which provide humor and laughter for the closing program while tying the whole theme for the day together. The result of their efforts is *Small Town VBS*. This book offers you three programs for less than the price of one manual for most other programs. Buy one book and be set for three years. Each program contains detailed information about the opening program, crafts, games, food, and skit scripts which provide humor and laughter for the closing program while tying the whole theme for the day together. The three programs focus on the following themes: *Celebrations* Explores the ceremonies the Israelites celebrated and how each celebration pointed to the future and Christ's mission on earth; *Short Stories* Looks at five of Jesus' parables and what those stories mean to us; *God's Most Wanted* Studies the life of David and how God used him as a shepherd boy and king to do great things; *Share God's Love* with the children in your church and community by putting together an unforgettable VBS program with the help of two experienced program directors who God has called to teach children about Jesus. *The Northwestern Lutheran*, 1993

The Norddeutschland Port Reporter, 1986-11 *Coral Ridge Presbyterian Church Communicator*, 1992 **The E-Giving Guide for Every Church** Richard Rogers, 2016-12-09

The purpose of this book is to help churches raise more money for ministry and mission by better using electronic media. Although philanthropy in the US is growing, churches continue to receive a declining portion of that philanthropy. Part of the challenge is that America is becoming significantly less dependent on paper currency (cash and checks) yet the church continues to count on paper currency as their primary media for donations. There have been warning signals for several years. Many churches face shrinking budgets and membership and are beginning to ask the right questions. The author's goal is to capture this teachable moment with a resource that will encourage pastors and church leaders to utilize tools already available to change the trajectory of their resourcing because nothing is more important than what God has called them to do. The banking and electronic giving industries have not made it easy for churches to understand their services or fees. This book will take the confusion and fear away and open churches to new possibilities. *Great Ideas for VBS* John Robert Cutshall, 1992 **The School Recruitment Handbook**, **Christian Beginnings** Beth Branigan McNamara, 2000
