Vectors

4.4. *Mediators in Two and Three Component Models*

- *Efficient use of space* – maximum value per unit of space, as often as possible

2. Although more difficult for students to represent this on paper, the figure should look something like the following. Note that the origin is not at a vertex of the figure, but that it is at the center of the data system.

In particular, I need to be explicit about what I mean when I say to students that perception and change matter.
