Tutorial Letter: Guidelines for Examination Brand Management (BM001/BM) Semester One 2014

Dear Student

Please refer to the guidelines for the May 2014 Brand Management examination. **It must be noted that this examination is a CLOSED BOOK examination which will be accompanied by a case study, requiring candidates to APPLY their knowledge of the theory to the provided case study. There has to be argument, critique and debate around the question at hand and the answer provided must be critical and insightful. The application part of each answer counts just as much as the theory. Students should therefore NOT only focus on the theory, yet also NOT only focus on the application of the theory without discussing the theory.**

The different themes that **could** be assessed in this paper include (although not limited to these themes only):

- Brand elements
- Brand equity
- Brand value chain
- Brand positioning
- Mental maps
- Brand leveraging
- Brand health measurement
- Brand architecture
- Brand hierarchy
- Integrated marketing communications criteria
- Growing and sustaining brand equity
- Managing brands over geographic boundaries and market segments.

There are seven (7) questions that will be assessed for this module. The questions (some with sub-questions) vary in marks between 6 and 32 marks. The questions all require theoretical application and the answers need to be a good mixture of theory and application.

May we also remind you that we are always available to assist with academic queries. Academic queries should be submitted in writing to: academic-ug@immqsm.ac.za.
