 cybersecurity publications for consideration Why buy a book you can download for free First you gotta find it and make sure
 it s the latest version not always easy Then you gotta print it using a network printer you share with 100 other people and its
 outta paper and the toner is low take out the toner cartridge shake it then put it back If it s just 10 pages no problem but if it
 s a 250 page book you will need to punch 3 holes in all those pages and put it in a 3 ring binder Takes at least an hour An
 engineer that s paid 75 an hour has to do this himself who has assistant s anymore If you are paid more than 10 an hour and
 use an ink jet printer buying this book will save you money It s much more cost effective to just order the latest version from
