Child Development and Education Teresa M.

McDevitt, Jeanne Ellis Ormrod, Glenn Cupit, Margaret Chandler, Valarie Aloa, 2012-08-21 Child Development and Education is a comprehensive child development text written especially for educators. It helps students to translate developmental theories into practical implications for teaching and caring for youngsters with diverse backgrounds, characteristics, and needs. The text draws from innumerable theoretical concepts, research studies conducted around the world, and the authors' own experiences as parents, teachers, psychologists, and researchers to identify strategies for promoting young people's physical, cognitive, and social/emotional growth. In this Australian edition, contemporary Australian and New Zealand research has been highlighted, and local educational structures, philosophies, and controversies have been reflected. **Developing**

Professional Practice 0-7 Catherine Knowles, 2009 Developing Professional Practice 0 to 7 provides a thoroughly comprehensive and cutting-edge guide to developing the understanding and practical skills necessary for working within early years education. Chapter content is directly linked to the early years professional standards and pedagogical features are incorporated throughout the book to guide the student. Chapter objectives at the start of each chapter clearly set out the learning goals for that chapter. Reflect and relate to practice sections throughout the book encourage the student. Culture
