Understanding World Religions Irving Hexham, 2011-03-22 Globalization and high speed communication put twenty first century people in contact with adherents to a wide variety of world religions but usually valuable knowledge of these other traditions is limited at best

On the one hand religious stereotypes abound hampering a serious exploration of unfamiliar philosophies and practices On the other hand the popular idea that all religions lead to the same God or the same moral life fails to account for the distinctive origins and radically different teachings found across the world's many religions Understanding World Religions presents religion as a complex and intriguing matrix of history philosophy culture beliefs and practices Hexham believes that a certain degree of objectivity and critique is inherent in the study of religion and he guides readers in responsible ways of carrying this out Of particular importance is Hexham's decision to explore African religions which have frequently been absent from major religion texts He surveys these in addition to varieties of Hinduism Buddhism Judaism Christianity and Islam

The Illustrated Guide to World Religions Michael David Coogan, 1998 Graced with rich illustrations and written by a team of eminent scholars this book presents a wealth of information on faiths around the world Each chapter in this volume examines one of seven major world religions from Judaism to Christianity and from Islam to Buddhism

Illustrated World's Religions Huston Smith, 1994-09-03 Retaining all the beloved qualities of Huston Smith's classic *The World's Religions* this stunning pictorial presentation refines the text to its wonderful essentials In detailed absorbing richly illustrated and highly readable chapters on Hinduism Buddhism Confucianism Taoism Islam Judaism Christianity and primal religions we find refreshing and fascinating presentations of both the differences and the similarities among the worldwide religious traditions The approach is at once classic and contemporary retaining all the empathy eloquence and erudition that millions of readers love about the earlier edition while being edited and designed for a contemporary general readership This delightful marriage of engaging text and remarkable pictures vividly brings to life the scope and vision of Huston Smith's expertise and insight

The World's Religions Charles Samuel Braden, 1954 Religion Religions of primitive peoples Religions of ancient America Religions of Egypt and Babylonia Religions of Greece and Rome Religions of northern Europe Zoroastrianism Hinduism Buddhism Religions of China Religions of Japan Judaism Christianity Islam

A Spectator's Guide to World Religions John Dickson, 2008 The world is a very religious place Wherever you look people are worshipping praying believing following even dying for their faith But are all faiths the same Do they all call on the same God using different names Are their beliefs and practices simply cultural expressions of the same spiritual longings In this timely book John Dickson presents each of the world's major religions in its best light He carefully outlines the history belief systems and spiritual practices of Hinduism Buddhism Judaism Christianity and Islam so that the interested spectator can explore their similarities and differences For sceptics believers and students of religion the book provides a fair and friendly introduction to this ultimate subject

The History of World Religions Katharine Savage, 1966 Traces development of religions from earliest forms of nature worship through beliefs of Egyptians and Greeks to birth and history of main religions of world today

The World's Religions Huston Smith, 2017-03-29 This book has seven basic chapters Hinduism Buddhism Confucianism Taoism Islam Judaism and Christianity These he calls the Major Historical Religions They all have sacred texts This book was

intended to be a brief survey without an in depth analysis A new section was added to The World s Religions It is entitled The Primal Religions It describes a broad sweep of religions such as those practiced by the Australian Aborigines by the Native American Indians of North and South America and the religions of the interior of Africa Huston Smith s masterpiece explores the essential elements and teachings of the world s predominant faiths including Hinduism Buddhism Confucianism Taoism Judaism Christianity Islam and the native traditions of Australia Africa Oceania and the Americas Emphasizing the inner rather than the institutional dimension of these religions Smith devotes special attention to Zen and Tibetan Buddhism Sufism and the teachings of Jesus He convincingly conveys the unique appeal and gifts of each of the traditions and reveals their hold on the human heart and imagination
