World Revolution Nesta H. Webster, 2006 If you don't believe in coincidence when it comes to world affairs then *World Revolution* is indeed a book that you should read The book reveals the underlying causes that brought about socialistic communistic and democratic revolutions in the world By carefully studying the origins of these uprisings and resulting governments the book goes forth to conclude what the evolving New World Order is shaping into If you are curious about the world that your children will live in then this book may well present you with a very probable outcome *The Jews and the Expansion of Europe to the West, 1450-1800* Paolo Bernardini, Norman Fiering, 2001 Jews and Judaism played a significant role in the history of the expansion of Europe to the west as well as in the history of the economic social and religious development of the New World They played an important role in the discovery colonization and eventually exploitation of the resources of the New World Alone among the European peoples who came to the Americas in the colonial period Jews were dispersed throughout the hemisphere indeed they were the only cohesive European ethnic or religious group that lived under both Catholic and Protestant regimes which makes their study particularly fruitful from a comparative perspective As distinguished from other religious or ethnic minorities the Jewish struggle was not only against an overpowering and fierce nature but also against the political regimes that ruled over the various colonies of the Americas and often looked unfavorably upon the establishment and toleration of Jewish communities in their own territory Jews managed to survive and occasionally to flourish against all odds and their history in the Americas is one of the more fascinating chapters in the early
