Travelogues Of Faith:

Travelogues of Faith Alan J. Delotavo, 2013-07 Comments Dr Delotavo has given us a wonderful resource to stimulate private thought and conversation Travelogues of Faith is well written clear and succinct a book useful for seekers and veteran Christians alike Bruce Fawcett Ph D President Professor of Leadership and Religious Studies Crandall University Moncton New Brunswick Canada This is a brilliant book Absolutely eye opening and revealing Alan is by far one of the most insightful writers I have read in recent times He writes with a clarity beauty and intelligence that leaves your soul bare before the Father You will be richer and far more practical in your comprehension of the common faith after you have prayerfully pondered the pages of this book Rev Edwin R Rideout Pastor Family Christian Centre Fort McMurray Alberta Canada About the Book Christian life has many phases Like our biological lives where we grow and mature from infancy to childhood to adulthood so is Christian life from new birth to struggles for meanings of faith to maturity In each of these phases beautiful memories are etched full of depth and these memories are what make life beautiful Let me take you to the believers journeys in search of meanings of faith These were their adventures that carried their souls through rugged valleys sharp edges and steep climbs in life ultimately ending up in surprising discoveries that unravel the fresh essence Christian faith These were their exhilarating journeys One of these could be like yours too The Christian Travel Planner Kevin Wright, 2008-02-03 The Christian Travel Planner will enable you to plan and prepare for memorable and life changing experiences Discussing a multitude of trips from Holy Land and European pilgrimage tours to mission trips and conference cruises this book is accessible and user friendly Other vacations include fellowship vacations camps conventions adventure vacations and monastic guest stays Complete with stories must see descriptions and website and travel reference information this planner can also be used as a companion guide while traveling or simply from the comfort of your home as you explore Christianity's famous sites via the computer Learn how to begin or enrich a Christian travel ministry at your church faith community or organization The Christian Travel Planner introduces readers to the world of faith based travel and identifies the plethora of opportunities available to Christians planning a vacation Hajj Travelogues Richard van Leeuwen, 2024-06-03 In Hajj Travelogues Texts and Contexts from the 12th Century until 1950 Richard van Leeuwen maps the corpus of hajj accounts from the Muslim world and Europe The work outlines the main issues in a field of study which has largely been neglected A large number of hajj travelogues are described as a textual type integrating religious discourse into the form of the journey Special attention is given to their intertextual embedding in the broader discursive tradition of the hajj Since the corpus is seen as dynamic and responsive to historical developments the texts are situated in their historical context and the subsequent phases of globalisation It is shown how in travelogues forms of religious subjectivity are constructed and expressed "Perplexed in Faith" Alisa Clapp-Itnyre, Julie Melnyk, 2015-02-27 In the last twenty years there has been a growing recognition of the centrality of religious beliefs to an understanding of Victorian literature and society

This interdisciplinary collection makes a significant contribution to post secularist scholarship on Victorian culture reflecting the great diversity of religious beliefs and doubts in Victorian Britain with essays on Protestant Catholic Jewish Unitarian and spiritualist topics Writing from a variety of disciplinary perspectives for an interdisciplinary audience the essayists investigate religious belief using diverse historical and literary sources including journalism hymns paintings travel writings scientific papers novels and poetry Essays in the volume examine topics including The relation between science and religion in the career of evolutionary biologist Alfred Russel Wallace Thomas Prasch The continuing significance of the Bible in geopolitical discourse Eric Reisenauer The role of children and children s hymns in the missionary and temperance movements Alisa Clapp Itnyre The role of women in Christian and Jewish traditions Julie Melnyk and Lindsay Dearinger The revival of Catholicism and Catholic culture and practices Katherine Haldane Grenier and Michelle Meinhardt The occult religious society Golden Dawn Sharon Cogdill Faith in the writings of the Bront sisters Christine Col n Charles Dickens Jessica Hughes and George Eliot Robert Koepp *Travelogue* Dan C. Pak,2012-04-21 To some people religion is a throw back from by gone era presumptive myth that once dominated the world stage before advent of science and technology To the others it is a cosmetic to hide and beautify one s only real motive in life that is to seek fortune and fame The articles presented here are private journal of a traveler in life seeking for the Truth If anyone benefits from it this forlorn traveler would feel enriched by fellow traveler **Faith on the Road** Joerg Rieger,2015-12-02 The Bible is a story about people on the road and Christianity is a faith always on the move seeking to follow the Jesus who kept traveling from town to town proclaiming God s reign In this short but profound book Joerg Rieger reflects on how Christian faith reorients how we think about and practice traveling **Travel and Conflict in the Early Modern World** Gábor Gelléri,Rachel Willie,2020-12-18 This edited collection examines the meeting points between travel mobility and conflict to uncover the experience of travel whether real or imagined in the early modern world Until relatively recently both domestic travel and voyages to the wider world remained dangerous undertakings Physical travel whether initiated by religious conversion and pilgrimage diplomacy trade war or the desire to encounter other cultures inevitably heralded disruption contact zones witnessed cultural encounters that were not always cordial despite the knowledge acquisition and financial gain that could be reaped from travel Vast compendia of travel such as Hakluyt s Principia Navigations Voyages and Discoveries printed from the late sixteenth century and Pr vost s Histoire G n rale des Voyages 1746 1759 underscored European exploration as a marker of European progress and in so doing showed the tensions that can arise as a consequence of interaction with other cultures In focusing upon language acquisition and translation travel and religion travel and politics and imaginary travel the essays in this collection tease out the ways in which travel was both obstructed and enriched by conflict **A Travelogue of the Interior** Karen Dabaghian,2015-04-15 Most travel tales begin and end with the book in your hand Not this one As Karen Dabaghian shares the adventure of her year in the Psalms you ll embark on an ancient journey for those hungry to know God

more intimately The Psalms were the hymnbook of the Hebrews Jesus and the early church Today we tend to pluck a verse here and there for a word of encouragement but we have lost the Psalms as a guidebook for spiritual formation You can rediscover the Psalms as a traveler Explore the terrain where your interior life and the Word of God intersect Begin speaking to God with raw honesty Listen as God replies with personal life giving words Above all discover at the feet of the poet king how to taste and see that the LORD is good **Burton Holmes Travelogues** Burton Holmes,1920 **Catholic Missions and Annals of the Propagation of the Faith** ,1925
