and will not rest until it returns to it Harmlessness is most powerful form of Yoga and it will take you speedily to your goal This is what I call nisarga yoga the Natural yoga It is the art of living in peace and harmony in friendliness and love The fruit of it is happiness uncaused and endless According to Eckhart Tolle the author of The Power of Now The greatest difficulty in experiencing reality or having self awareness is the identification with mind The incessant mental noise prevents you from finding that realm of inner stillness that is inseparable from being the self Thinking has become a disease Mind is a superb instrument if used rightly When it is out of our control it is a disease As you go more deeply into this realm of no mind you realize the state of pure consciousness in which you are highly alert and aware but not thinking This is the essence of meditation NOW THE PRIMARY FOCUS OF LIFE Pain is self created till the unobserved mind runs your life The greater part of the human pain is avoidable The pain that you create now is always some form of non acceptance some form of unconscious resistance to what is Make Now the primary focus of your life Say yes to life and see how life suddenly starts working for you rather than against you This will miraculously transform your whole life Attaining self awareness is the objective of life and through meditation one can learn the art of living in the present with full awareness Present is the most important thing The past being in memory and the future
