Helpful Tips

Structure your thoughts

Shorten the time it takes to create your course by making a course outline for video production. You can find a course outline template [here](#).

Focus your sections and lectures

Focus each section on one skill students will learn. Udemy students prefer 5-10 minute videos. Keep lessons short and sweet.

Help your students practice what they learn

Encourage students to practice each skill before they move on. Add a practice activity in each section.

Check your settings

Review the recommended settings for recording and exporting your videos. Important settings: 720p or higher, 2 audio tracks, 48kHz sample rate.
