Unveiling Daniel And Revelation:

Unveiling Daniel and Revelation Roy Allen Anderson, 2006

Clarence Duff, 2004 Here is the book you have been waiting for There is no doubt that the books of Daniel and Revelation contain some of the most difficult and complex prophecies in the entire Bible Unveiling Daniel s Prophecies of End Time Events clarifies many of the complexities and answers some of the most challenging questions contained in these prophecies It sets forth a new and strikingly simple prophetic explanation that allows the reader to fully understand the prophetic sequence contained in Daniel 2 and 7 in association with selected prophecies from Revelation 13 and 17 Many books have offered interpretations of the prophecies of Daniel and Revelation but little attention has actually been given to unfolding prophetic events within the prophetic timeline In this unique book the author attempts to rectify this By sequencing the prophecies of Daniel 2 and 7 along with associated prophecies from Revelation the author is able to present the logical unfolding of prophetic events from the first world empire to the fall of Rome to the rise of the ten horn seven headed beast the wounding of the beast to the rise of the Antichrist to the coming of the Lord Jesus the King of kings and Lord of lords Unveiling Daniel s Prophecies of End Time Events is a highly readable volume and will be a valuable resource for pastors Christian educators Bible students and all who are interested or curious about the prophecies of Daniel and Revelation Clarence Duff ThD PhD Dr Duff is professor at Canada Christian College where he lectures in Christian education He is the author of Unlocking the Mystery of Depression He holds a MDiv and ThD from Canada Christian College an MA in Counselling Psychology from Liberty University a PhD in Religious Studies from California State Christian University and is the candidate for the PhD in Psychology from Capella University

Babylon Revealed Anthony Mattiello Jr, 2018-01-16 Babylon Revealed is an epic journey of Gods plan of salvation for mankind The journey begins with Gods call to Abraham to come out of Babylon and settle into the land of Canaan The book examines Satans efforts to mislead humanity into apostate worship which began in this region From the historical record the book takes the reader on a journey through time and ends in the same place where the journey began Civilization began in Babylon and will end in Babylon the Great Apostate worship will ultimately lead to the destruction of the world God from the beginning knew the future and numbered the days of Babylon and Satans kingdom on earth Satan opposes God in order that he may continue to exist and remain in the world by separating the Creator from His creation Satan is allowed to continue to exist through mankinds choice to remain apart from the Lord This book reveals Gods mysteries and warnings about mankinds ultimate fate which is found in the prophetic books of the Bible Mans only hope is in the Lord Jesus Christ who will in the end of time triumph over the forces of evil and establish Gods kingdom on earth
