Unwind! Michael Olpin, Sam Bracken, 2014 Discusses how to optimize your body heart mind and soul in order to lower anxiety levels and make better choices **The Mindful Librarian** Richard Moniz, Joe Eshleman, Jo Henry, Howard Slutzky, Lisa Moniz, 2015-11-26 The Mindful Librarian Connecting the Practice of Mindfulness to Librarianship explores mindfulness approaching it in such a way as to relate specifically to the many roles or challenges librarians face Coinciding with the increased need to juggle a variety of tasks technologies ebooks and databases the new Association of College it has been connected to various religious traditions in a wide variety of ways for centuries most notably Buddhism In the latter part of the 20th century however a secular version was popularized largely by the work of Jon Kabat Zinn and his work on MBSR Mindfulness Based Stress Reduction at the University of Massachusetts s Medical School The medical benefits and the overall quality of life improvements from its adoption have exploded in recent years in particular the last two decades which have seen mindfulness traditions incorporated into education to a greater degree and with very positive results Presents the only current LIS book that covers this topic in a way that applies directly to librarians Provides a topic that will be appealing to librarians as it speaks to the pressures of budget cuts and consumer culture being felt across the academy Seeks to improve the joy and quality of life that librarians and library science students experience in their personal lives and jobs

Guts Sam Bracken, 2018-03-15 The bestselling author of My Orange Duffel Bag helps readers overcome obstacles set a big vision and define a life of purpose greater than self Michael K Simpson author of Unlocking Potential Sam Bracken s backstory would make Dr Phil turn tail and run During his childhood he suffered years of abuse and was even set on fire by a relative What didn t kill Bracken made him stronger And he is now on a mission to bring self empowerment to others to realize a life of grit and grace This book is about achieving a purpose driven life You ll have to push past failure again and again And it is also about beating the odds no matter how high they are stacked against you To be a true leader you have to start with yourself In Sam Bracken s GUTS you will learn about Mental strength Resisting feelings of low self esteem Self empowerment Building self confidence Living a life of passion And most importantly what it takes to have grit and grace Sam Bracken had no advantages but went from being a hopeless street kid to a champion college football player In this insightful book he illustrates how success in life is less about talent wealth or good luck and more about GUTs And having GUTs is a choice anyone can make Sean Covey author of The 7 Habits of Highly Effective Teens Presentation Advantage Kory Kogon, Breck England, Julie Schmidt, 2015-09-15 The average attention span of an adult is eight seconds eight seconds That is tough news for a presenter It means you may have a room full of people but their minds are elsewhere You re competing with a slew of activities demanding their attention email texts Facebook YouTube chats and apps in addition to thoughts about their next meeting and projects that are behind schedule How do you get a message across in a world like that The inability to powerfully inform and persuade amid an unprecedented number of distractions is one of the greatest hidden and pervasive

costs of the twenty first century workplace Learn to connect with your audience and you ll stop having unproductive meetings and wasted time In Presentation Advantage FranklinCovey outlines its Connect Model the mental model that allows you to connect with the message yourself and the audience during any presentation by Structuring relevant and purpose driven messages Understanding how our brains best synthesize and remember key information Using visuals such as PowerPoint to inspire instead of torture your audience Aligning your message body language and tone of voice for a powerful delivery Whether to one person or one hundred effective presenting is today s top business skill and the experts at FranklinCovey help you master it With the Presentation Advantage you can deliver dynamic compelling and truly effective presentations every time
