Up In Flames The House Sitter From Hell:

Up in Flames Linda Chehey, 2015-05-18 George Dickey watched the century old Victorian house on the next parcel decay for years The old recluse knew its history and wouldn't wish that house of horrors on anyone He had spent decades trying to forget what he'd seen there and his connection to it He thought the past was dead and buried Then the new people Tim and Angie Avalon moved to town with plans to restore the lady to her original splendor They were unaware of the unspeakable crimes committed in that house When they befriend George and ask about the former owners he won't tell them anything There's no statute of limitations on murder They are puzzled at his evasiveness and his hesitancy to enter the house if they ask for his advice about refurbishing something When a mental institution is forced by budget cuts to send a patient back to her hometown to supervised transitional housing it is the worst decision they could have made When she strays away from her caretakers and goes in search of her mother who had disappeared years before Georges awakens one morning to find the past knocking at his door and a terrifying encounter awaiting him Having slipped away from supervision and off her medications nobody is safe from the likes of Millie when she's on a quest to find her mother Saddles & Sawdust Ann Eden, 2017-01-28 This is a true story about the adventures of the author and her family on their cattle ranch and sawmill in the early 1950s It is compelling because this family left an opulent lifestyle in Vancouver B C where the author's parents were business and social leaders On the ranch they adapted to a life with no electricity no telephones or any city conveniences They learned that milk came from cows not the grocery store that lanterns actually gave light without plugging into the wall that sometimes it was so cold gasoline wouldn't burn The most compelling part of this story was the author's mother a glamorous lady who soon learned to swing an axe rope cattle milk cows drive a lumber truck and become a sawyer on her husband's sawmill the fancy lady from Vancouver who looked like a Vogue model and became a legend The story tells about a traumatic injury to the author's mother a missing child an association with a wanted felon cattle rustlers marauding wildlife forest fires blizzards and missing parents Its also a love story that began in England between two people who gave their children simple values to appreciate nature and respect wildlife to value their ranch animals especially the horses who always brought them safely home and to appreciate the devotion of their dog a collie wolf mix an animal who thwarted danger more than once Read and enjoy the incredible adventures of this amazing family My Besties 3: The Downfall Asia Hill, 2016-07-11 Ja ziya JuJu has blood on her hands At least the law says so After her best friend Tiki and Aunt Tae are knocked off police apprehend Ja ziya for both murders But her Eastside Crazy Crew cohorts Dirty E and ReRe know different They suspect their sworn enemy Lil Man is behind the takedown of their associate Lil Man wants to destroy the ECC and everyone connected to them Even going so far as to employ the services of corrupt cops Now with Ja ziya's trial looming Lil Man's testimony could put her away for life But not if Dirty E and ReRe find him first Nor are they the only ones hunting for Lil Man So is local gangster Young Meech Who's seen those closest to him snuffed out at the hands of Lil Man Meech wants

to return the favor before he kills Lil Man personally But his vengeance is delayed when tragedy hits close to home forcing Meech to choose between doing the right thing and taking his pound of flesh One thing however is certain before all the players involved can move forward Lil Man must die

God's Gateway and the Devil in the Dark J. R. Grams,2025-03-14 In this book are actual events that took place within my life When I was about four or five years old I had a good normal life The only abnormal thing was that I could see things in the dark and it goes from there What you can expect to see within my years of living is happiness depression love violence euphoric bliss and complete and utter bloodcurdling terror where you cannot sleep without having the lights on It shows you insight on mental disorders and how any form of addiction can begin to pull you down in the depths This book also shows the power of spiritual energy and how it affects every little thing in our everyday lives It s a link between reality and the spiritual realm The unreal becomes reality right before your eyes and it was everything witnessed through my eyes that came true Every question I ever asked about life was answered I survived and want to share the memories I have of when I walked on a journey with God and the devil himself into the unimaginable
